If the terms cannot be agreed to, the parties agree that either party has the right to terminate the Agreement.

- 6.5 Other Information. Consultant may rely upon commonly used sources of data including but not limited to database searches, publicly available topographic information, GPS coordinates, demographics, and other public information as required. Consultant does not warrant the accuracy of the information obtained from those sources and has not been requested to independently verify such information.
- 6.6 Site Visits. Unless otherwise specifically set forth in the Agreement or a fully executed written Amendment, Client-requested site visits are on an as-requested fee basis for the purpose of visual observation only for general conformance with the Landscape Construction Documents at the time of observation. Client has not retained the Consultant to make inspections or to provide periodic, continuous or exhaustive Project review and observation services. Consultant's site visits do not include any obligation to identify or notify Client of any jobsite safety issues. Consultant is not obligated to conduct any tests in connection with site visits. Consultant at all times reserves the right to make site visits solely for its own collection of information relevant to, and for the benefit of, the performance of its Services.
- 6.7 Construction Exclusion. Consultant's scope of work does not include, and Consultant shall have no authority or responsibility for supervising, directing, performing or controlling any contractor's work, or the means, methods, techniques, sequences, safety measures, or procedures of construction selected by any contractor or subcontractor. Opinions of cost are based on the experience and judgment of Consultant and are merely opinions. Consultant does not warrant that actual costs will not vary from those opinions because, among other things, Consultant has no control over market conditions. If the fixed limit of construction cost is exceeded by the lowest bona fide bid or negotiated proposal by more than 20%, Consultant will at the Client's request, revise the Contract Documents to comply with the project budget at no additional charge. - 7.2 If the Client fails to make payments to the Consultant in accordance with the Agreement, such failure shall be considered failure to substantially perform and cause for termination or, at the Consultant's option and upon not less than seven days' written notice, cause for suspension of performance of services without terminating the Agreement. Consultant shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Consultant shall be compensated for any expenses incurred in the interruption and resumption of the Consultant's services. The Consultant's fees for the remaining services and the time schedules shall be equitably adjusted.
- 7.4 This Agreement may be terminated by either party, without cause and for its convenience, at any time prior to completion of Consultant's services, upon not less than seven days' written notice to the other party. In the event that a termination by Consultant for cause is later determined to have been wrongful, then the termination shall be deemed a termination for convenience.
- 7.5 In the event of termination not the fault of the Consultant, the Client shall, within fifteen days following the termination, pay Consultant for all services performed prior to termination, together with reimbursable and sub-consultant expenses incurred before termination and all Termination Expenses. Termination Expenses are in addition to compensation for the services of the Agreement and include expenses directly attributable to termination for which the Consultant is not otherwise compensated, plus an amount for the Consultant's anticipated profit on the value of the services not performed by the Consultant. Client waives any and all claims, causes of action and damages that it has or may have against Consultant arising out of termination not the fault of the Consultant, including termination without cause.
