Investigation On April 3, 2023 I mailed out a Notice Of Hearing to Destini Scofield Cordele that is scheduled for April 25, 2023 @ 11:00 am.	Marshall Sova	04/03/2023 10:05:56 AM
Investigation On March 16, 2023 I posted a condemnation placard on the property.	Marshall Sova	03/16/2023 01:08:21 PM
Investigation On March 15, 2023 I received a call from Vicki Walters that a generator was running constantly at 406 SE Monroe Street. Ms. Walters also stated that two other people were residing at the residence with no electricity and water.  I responded to the residence along with the Department of Health Investigator. Upon my arrival a generator was running and there were no attempts to clean up the property from prior violations. I spoke with Destini Cordle and advised her that the generator was for emergency purposes or to be utilized for clean up for the property which was not being done. The generator was being used at that time to cook pizza rolls. The generator was turned off.	Marshall Sova	03/16/2023 01:02:06 PM
I was unable to enter the residence but I could see through the broken windows there was no flooring in some of the rooms. I could also see what appeared to be mold on some of the walls.		
I verified that there were no utility accounts for this address. The Department of Health investigator served Ms. Cordle an abatement notice for having no water account. A placard of condemnation was placed on the residence.		
A third NOV was prepared and was hand delivered to Ms. Cordle on March 16, 2023.		
Initial Inspection On January 18, 2023 I received a call from Vicki Walters who resides at 422 SE Monroe Street. Mrs. Walters stated that the property located at 406 SE Monroe Street is littered with trash and rubbish. Mrs. Walters stated that a female is living on the premises without water and electricity and several of the windows are busted out.	Marshall Sova	02/21/2023 11:45:09 AM
I responded to this residence and no one came to the door but I could see someone inside and they refused to come to the door. I took photographs of the residence and they are attached to this case file. I prepared a NOV and sent it certified mail to the property owner on January 19, 2023. There are also no utilities at this residence.		
Compliance date February 17, 2023.		
Re- Inspection On February 21, 2023 I re-inspected the property located at 406 SE Monroe Street and there has been no change. A second NOV was prepared and hand delivered to the owner at the Columbia County Detention Center.	Marshall Sova	02/21/2023 09:28:22 AM
Investigation On January 27, 2023 the certified mail green card was delivered to me and was signed by Destini Cordle.	Marshall Sova	01/27/2023 09:04:01 AM
Investigation On January 19, 2023 I emailed Sallie Ford Environmental Health Director for the Florida Department of Health. In my email I requested if her agency can assist me in this investigation due to no electricity or water at this residence.	Marshall Sova	01/19/2023 12:57:30 PM
Mrs. Ford stated that her agency would assist and that they would also send her a Notice of Violation.

Good morning Sallie,

I am working a case at 406 SE Monroe Street in reference to a sanitation issue of not keeping their property clean. I have checked and there is no water and electricity at this location. A female Destini Scofield Cordle lives there and I went by yesterday to start my investigation. She was in the house but would not come to the door. Do you have any type of pull to remove her from the residence since no utility's are on at this location? I have sent her a Notice of Violation on the property.

Violation Code	Violation Description
<b>IPMC 108.2 Closing of vacant structures.</b>	If the structure is vacant and unfit for human habitation and <i>occupancy</i> , and is not in danger of structural collapse, the <i>code official</i> is authorized to post a placard of condemnation on the <i>premises</i> and order the structure closed up so as not to be an attractive nuisance. Upon failure of the <i>owner</i> or owner’s authorized agent to close up the <i>premises</i> within the time specified in the order, the <i>code official</i> shall cause the <i>premises</i> to be closed and secured through any available public agency or by contract or arrangement by private persons and the cost thereof shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate and shall be collected by any other legal resource.
<b>IPMC [P] 505.1 General.</b>	Every sink, lavatory, bathtub or shower, drinking fountain, water closet or other plumbing fixture shall be properly connected to either a public water system or to an <i>approved</i> private water system. Kitchen sinks, lavatories, laundry facilities, bathtubs and showers shall be supplied with hot or tempered and cold running water in accordance with the <i>International Plumbing Code</i> .
<b>IPMC 601.2 Responsibility</b>	The <i>owner</i> of the structure shall provide and maintain mechanical and electrical facilities and equipment in compliance with these requirements. A person shall not occupy as <i>owner-occupant</i> or permit another person to occupy any <i>premises</i> that does not comply with the requirements of this chapter.
<b>City Ordinance Sec. 22-172. - Applicability.</b>	Every building used in whole or in part as a dwelling unit or as two or more dwelling units, or as rooming or boarding houses, shall conform to the requirements of this Code irrespective of the primary use of such building, and irrespective of when such building may have been constructed, altered or repaired.

**Warning**

If the owner of property which is subject to an enforcement proceeding before the enforcement board, or court transfers ownership of such property between the time the initial pleading was served and the time of the hearing, such owner shall:

- (1) Disclose in writing the existence and the nature of the proceedings to the prospective transferee;
- (2) Deliver to the prospective transferee a copy of the pleadings, notices, and other materials relating to the code enforcement proceedings received by the transferor;
- (3) Disclose, in writing, to the prospective transferee that the new owner will be responsible for compliance with the applicable code and with orders issued in the code enforcement proceedings;
- (4) File a notice with the code enforcement official of the transfer of the property, with the identity and address of the new owner and copies of the disclosures made to the new owner within five days after the date of the transfer.

A failure to make the disclosures described in paragraphs (1), (2) and (3) above before the transfer creates a rebuttal presumption of fraud. If the property is transferred before the hearing, the proceeding shall not be dismissed, but the new owner shall be provided a reasonable period to correct the violation before the hearing is heard.

**Warning**

If the owner of property which is subject to an enforcement proceeding before the enforcement board, or court transfers ownership of such property between the time the initial pleading was served and the time of the hearing, such owner shall:

- (1) Disclose in writing the existence and the nature of the proceedings to the prospective transferee;
- (2) Deliver to the prospective transferee a copy of the pleadings, notices, and other materials relating to the code enforcement proceedings received by the transferor;
- (3) Disclose, in writing, to the prospective transferee that the new owner will be responsible for compliance with the applicable code and with orders issued in the code enforcement proceedings;
- (4) File a notice with the code enforcement official of the transfer of the property, with the identity and address of the new owner and copies of the disclosures made to the new owner within five days after the date of the transfer.

A failure to make the disclosures described in paragraphs (1), (2) and (3) above before the transfer creates a rebuttal presumption of fraud. If the property is transferred before the hearing, the proceeding shall not be dismissed, but the new owner shall be provided a reasonable period to correct the violation before the hearing is heard.

Hi. I'm sorry I just seen this message. I did get the notice the day before yesterday. I'm going to be having some people helping me tomorrow to get as much done as possible & also Friday if we don't get done with everything tomorrow. I apoligize it's taking so long to clean I have been working and not able to get over there in time after work to clean it. But I took off tomorrow and Friday to get it done.

Dear Mrs. Watson:

I am sure you are aware of the status of the property at 406 SE Monroe St. It seems to to go from bad to worse. At this point Destini is "squatting" on the property with her boyfriend and a dog. The property is without water, toilet, or electricity. Over the holidays her boyfriend entered onto my property, stole several items, broke a glass-topped table, and wound up rolling around in my front yard in a drugged stupor and totally naked. The police came and removed him.

I subsequently made an offer to Destini to purchase the property. I took her to the courthouse to obtain the most current title information, to Integrity Title to have the title search and new deed prepared, and to the tag office to purchase a new driver license so she would have legal identification. The title search came back indicating four (4) signatures would be required. Destini did not want anyone else to know about the sale. When I informed her that all individuals would be required, she began peddling the property to anyone who would give her "promise" money.

Currently the City Code Enforcement office, FL Health Dept., and FL Environmental Health are involved. There may be others of which I am not aware.

I am interested in acquiring the property. It would be a cash sale and Integrity has already prepared the documents. If you and your family are interested, please give me a call so we can close as quickly as convenient to you.

Thank you for your consideration/,

Hello,

Can you write this up please and investigate.

406 SE Monroe Street, Lake City. Owned by Destiny Cordelle. Backyard is full of trash. Harborage causing rats. Tenants are living there with no power or water (look for nuisance issues). Take an abatement notice with you in case you run into the owner on site. Get a phone number as well.

Check it out in the next day or two please.

Thanks!

Hi, Sallie –

As we discussed, at this time, this is a Code Enforcement issue. And yes, your summary of the legal ownership of the property and Ms. Cordle's current incarceration is correct.

Thanks!

Thank you Gary!

I know I will be asked for an update, so to re-cap: We are in a holding pattern until Ms. Cordele comes out of jail, and there is not anything further we can do at this time. And what we have done so far is good, because we do not have any other proof at this time that there are other owners (and we do not have any other documents to "back up" the title search to prove there are other owners). Do these sound like correct statements?

Thanks!

**Subject:** RE: Cordle nuisance complaint/Columbia

Andrea,

I checked the Columbia County Property Appraiser's website this morning and it only shows Destini Scofield Cordle as the owner. In the "Description" section, there is mention of Alice Scofield, who I assume is the same person as Alice Watson, Destini's mother. The numbers following her name appear to be a telephone number, although no area code is shown.

I did a name search on the Appraiser's website for Alice Watson, Randall Scofield and Judy Jayne Bradley. The only one who is shown as a property owner in Columbia County is Alice Watson and her property address is shown as 527 SW Red Cedar Court, Fort White, FL. I am not sure how Integrity Title Service, LLC, was able to show these three individuals as having a vested interest. I assume that Randall Scofield is a relative, perhaps Destini's father. Judy Bradley may be a sibling. I did a Google search on both and could not come up with an address for either Randall or Judy.

Sorry I could come up with no more that this limited information.
