CITY OF LAKE CITY

Report to Council

COUNCIL AGENDA	
SECTION	
ITEM NO.	

SUBJECT: Suppliment for Drainage Modifications for City of Lake City Utility Conflicts

DEPT / OFFICE: Distriubtion and Collections

Originator: Jessica Hamric		
City Manager Don Rosenthal	Department Director Brian Scott	Date 2/3/2026
Recommended Action: Allow FDOT to design and install drainage modifications for SR 247 at Bascom Norris and sign the documents attached.		
Summary Explanation & Background: The City of Lake City should allow FDOT to re-engineer and relcoate storm structures on SR 247 at Bascom Norris to save the City money with sewer infastructure relocations due to conflicts.		
Alternatives: Not to sign the documents and complete the sewer infastructure relocations ourselves.		
Source of Funds: 410.70.536-060.63		
Financial Impact: \$51,571.87		
Exhibits Attached: Please see UWHCA and City of Lake City Signature Authority page.
