Todd

We had a Special Called Historic Preservation Meeting on 10/17/2023. The Board requested to get legal advice for the questions that the citizens asked. Can you watch the meeting from last night and advise. Also Rocky Ford would like to schedule a meeting with You, Dave Young, and myself. He would like to have the meeting no later than Monday or Tuesday of next week. Let me know if this is something that we can do.

Thank You
