Subject: Putting in a trailer park in our Historic District of Lake City.

I would like this email given to the attention of Mr. Rocky Ford, regarding his wishes to place a mobile home park in our Historic District of Lake City.

I think this is an absurd idea. Think about this --- Mobile Home placement would NOT BE HISTORIC. If this were to be placed, it would also bring down the value of the homes that are currently in that area, which is not fair to those people who live there now. Also, there is the problem that a road must be constructed to have access to these structures and this road would ultimately have to be paid for by ALL of the taxpayers of Lake City.

I sincerely hope that all the people on our Council of Lake City vote this TOTALLY ABSURD idea down, as I do not believe it will be any kind of an improvement to our lovely town.
