ITEM NO.	

SUBJECT: Consulting Services for design, maintenance, and repair of chemical feed systems at Water Treatment Plant (Piggyback - City of Pompano Beach)

DEPT / OFFICE: Water Treatment Plant

Originator: Brenda Karr		
City Manager Don Rosenthal	Department Director Mike Osborn	Date 8/12/2025
Recommended Action: Approve a piggyback contract for consulting services related to the design, maintenance, and repair of chemical feed systems at the Water Treatment Plant.		
Summary Explanation & Background: The City of Pompano Beach awarded a contract for consulting services for the design, maintenance, and repair of chemical feed systems at its Water Treatment Plant. Currently, the City of Lake City does not have a contract for these services. The City of Pompano Beach received one (1) qualified response to their Request for Qualifications (RFQ-E-19-22) from Odyssey Manufacturing Co. The contract was awarded to Odyssey on November 14, 2022. The agreement covers a five (5)-year term, with option for one (1) additional five (5)- year renewal if both parties agree.		
Alternatives: Decline to piggyback on the City of Pompano Beach's awarded contract (RFQ-E-19-22) and seek separate provurement.		
Source of Funds: 410.72.536-060.64 The projected cost exceeds the City Manager's \$35,000.00 approval threshold and requires council approval.		
Financial Impact: The \$51,000.00 expense has been budgeted in account 64 for Fiscal Year 2026.
