| <b>City Manager</b><br>Don Rosenthal                                                                                                                                                                                                                                                          | <b>Department Director</b><br>Jason Dumas | <b>Date</b><br>August 11,2026 |
| <b>Recommended Action:</b><br>Request approval for the Esri Small Government Enterprise Agreement for a three-year term.                                                                                                                                                                      |                                           |                               |
| <b>Summary Explanation &amp; Background:</b><br>The City's current Small Government Enterprise Agreement annual licensing is set to expire on November 11, 2026. The attached agreement will secure fixed pricing of \$30,200 per year for a three-year term, for a total amount of \$92,600. |                                           |                               |
| <b>Alternatives:</b><br>Renew Esri software licensing at list price and pay additional costs for additional licenses as needed.                                                                                                                                                               |                                           |                               |
| <b>Source of Funds:</b><br>Budgeted funds for FY2027 in 410.77.536-030.49 - Operating Expense Other Charges for ArcGIS Small Enterprise                                                                                                                                                       |                                           |                               |
| <b>Financial Impact:</b><br>Budgeted funds in FY2027                                                                                                                                                                                                                                          |                                           |                               |
