ANALYSIS OF SECTION 12.2.1(3)(h) OF THE LAND DEVELOPMENT REGULATIONS

Darby Site – Lake City

- a. Whether the proposed use would be in conformance with the county's comprehensive plan and would not have an adverse effect on the comprehensive plan.

The proposed commercial development is in conformance with the City's Comprehensive Plan to include the commercial neighborhood.

- b. The existing land use pattern

The proposed use is compatible with the existing land use pattern.

- c. Possible creation of an isolated district unrelated to adjacent and nearby districts.

The proposed change will not create an isolated district unrelated to adjacent and nearby districts.

- d. The population density pattern and possible increase or overtaxing of the load on public facilities such as schools, utilities, and streets.

The proposed use would not alter the population density patterns as the type of use matches the residential use in the area.

- e. Whether existing district boundaries are illogically drawn in relation to existing conditions on the property proposed for change.

The existing district boundaries are not illogically drawn in relation to existing conditions on the property proposed for change.

- f. Whether changed or changing conditions find the proposed make the passage of the proposed amendment necessary.

The proposed use is compatible with the current use conditions, and it would be advantageous to the community providing additional services and employment opportunities.

- g. Whether the proposed use will adversely influence living conditions in the neighborhood.

The proposed use will not adversely influence living conditions in the neighborhood.

- h. Whether the proposed use will create or excessively increase traffic congestion or otherwise affect public safety.

The proposed use traffic pattern allows for movement within the proposed site.

- i. Whether the proposed use will create a drainage problem.

The proposed use will not create a drainage problem.

- j. Whether the proposed use will seriously reduce light and air to adjacent areas.

There will be no reduction in light or air for the adjacent areas. The proposed facility will replace an existing structure and be placed in a different location on the subject property.

- k. Whether the proposed use will adversely affect property values in the adjacent area.

The proposed use will not adversely affect property values in the adjacent area.

- l. Whether the proposed change will be a deterrent to the improvement or development of adjacent property in accord with existing regulations.

The proposed use is compatible with surrounding use, therefore will not adversely affect improvement or development of adjacent property in accord with existing regulations.

- m. Whether the proposed change will constitute a grant of special privilege to an individual owner as contrasted with the public welfare.

The proposed use will not constitute a grant of special privilege to an individual owner as contrasted with the public welfare.

- n. Whether there are substantial reasons why the property cannot be used in accord with existing zoning.

There are not substantial reasons why the property cannot be used in accord with existing zoning.

- o. Whether the proposed use is out of scale with the needs of the neighborhood or the Community.

The proposed use is in scale with the needs of the neighborhood or the community.

- p. Whether it is impossible to find other adequate sites in the city for the proposed use in districts already permitting such use. When pertaining to other proposed amendments of these land development regulations. The planning and zoning board shall consider and study:

- i. The need and justification for the change.
- ii. The relationship of the proposed amendment to the purposes and objectives of the comprehensive planning program and to the City's comprehensive plan, with appropriate consideration as to whether the proposed and other ordinances, regulations, and actions designed to implement the City's comprehensive plan.

The owner of the building wants to use the building for commercial use and with the FDOT building being across the road, it makes for a good location. There are also other Commercial neighborhood zones around the area.
