1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

This ordinance vacates certain portions of NE Bailey Street, Ne Lurose Street, and Ne Alfonso Levy Terrace abutting real property owned by the Columbia County School District in the vicinity of Niblack Elementary School. The closures are at the request of the school district to promote pedestrian safety around the perimeter of the school – particularly for children - by limiting traffic flows in the area.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur;
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
- (c) An estimate of the City's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

No direct economic impact on private, for-profit businesses in the City is anticipated.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

No businesses are located in the vicinity of the road closures, nor are the closures occurring in a commercial area. The City will retain easements for location and maintenance of utilities on the roads being closed.
