Re: Lake City Public Safety Building Generator and HVAC Replacement

To Whom It May Concern,

On behalf of the Division of the State Fire Marshal, it is my privilege to inform you that the 2023 Florida Legislature has appropriated funds to support your project and/or equipment purchase. This letter serves as your notice of award in the amount of \$422,000. These grant funds are available for reimbursement as early as July 1, 2023, once all requirements have been met.

Lauren Tingle is the assigned Contract Manager for your grant and will be your main point of contact for all matters related to your grant agreement and reimbursement of funds. There are several steps that must be completed before reimbursement can be issued, starting with confirming receipt and acceptance of your award.

To accept this award, please confirm contact information with the included form and send to Lauren.Tingle@myfloridaCFO.com. Once your form is received, an initial meeting will be scheduled to discuss the scope of your project and next steps.

Congratulations, I look forward to working with you on this important project.

Sincerely,

A handwritten signature in blue ink, appearing to read "JoAnne E. Rice".
