Originator: Brian Scott		
City Manager Don Rosenthal	Department Director Brian Scott	Date 08/21/2026
Recommended Action: Approve to pay for Sewer replacement from funds in account 410.78.536-060.63		
Summary Explanation & Background: We request a sewer line replacement due to a cave in be considered an emergency repair due to safety concerns for our staff and to protect property from sewer back-up in buildings at Long Horn, Olive Garden, Burger King, Chick-Fil-A, and The Rodeway Inn. The cave-in is in the parking lot of The Rodeway Inn between the building and curve. We request the Talcon Group to come in and replace a section of 10' sewer line on US Hwy 90 West due to the depth of the line and time constraints.		
Alternatives: To have City staff do the replacement		
Source of Funds: 410.78.536-060.63
