

MEETING DATE

CITY OF LAKE CITY

Report to Council

COUNCIL AGENDA	
SECTION	
ITEM NO.	

SUBJECT: Vintage Aircraft Tour Stop

DEPT / OFFICE: 542 / AIRPORT

Originator: Bradley C. Byrd		
City Manager	Department Director Bradley C. Byrd	Date 03/09/21
Recommended Action: Staff recommendation to host event.		
<p>Summary Explanation & Background: The National EAA (Experimental Aircraft Association) has planned a tour stop at Lake City Gateway Airport for March 26,27 and 28th A "B-17" will be on display and will also fly several trips around Lake City. The EAA National and Local Chapter will collect the ticket revenue and will also provide the staffing of volunteers while the aircraft is in Lake City. The EAA is a Non-Profit Organization and the proceeds will benefit the maintenance and operating costs of the aircraft. The EAA will be providing all required Certificates of Insurance with The City of Lake City listed as Additionally Insured.</p>		
Alternatives: n/a		
Source of Funds: This event will not require any additional airport funds.		
Financial Impact: The airport will benefit by providing fuel for the aircraft.
