Honorable Mayor ,

I am formerly requesting that I be placed on the Council meeting agenda for Monday September 18th. This will be to formally request that the city Designate LONG STREET BETWEEN MARION AND LAKE JEFFERY AS THE MARIAH REGINAE SMITH FOREVER 12 MEMORIAL STREET. I and others will be prepared to explain the reasonings, justifications, and long term benefits for the designation. Please note is NOT a request to rename Long Street.

ThsnkYou And Look Forward To Making My Presentation At The Meeting.

Sincerely,

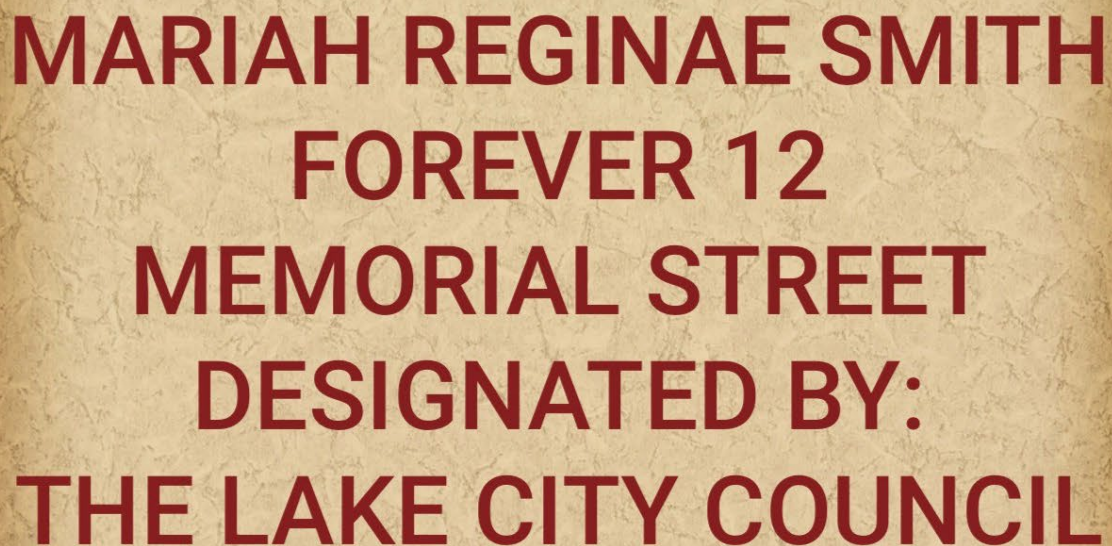

Glenn Bowden
