a. "CITY" means the City Council of the City of Lake City, Florida, and any official or employee thereof who shall be duly authorized to act on the City's behalf relative to this Contract.

b. "CONTRACT" means the terms, conditions, and covenants expressed herein in addition to all the terms, conditions, and covenants of the Invitation to Bid, and the addendum and Proposal Document Report (hereinafter collectively referred to as "ITB-027-2021" or "ITB"), reasonably inferred to the City and general conditions, all of which are incorporated herein and made an essential part of this agreement between the parties.

The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability or obligations under the Contract. All insurance policies shall be through Insurers authorized to write policies in Florida. All certificates shall provide that the policy or policies of insurance shall not be changed or canceled until at least ten (10) days prior written notice shall have been given to City. The indemnity required hereunder shall not be limited by reason of the specifications of any particular insurance coverage in this Contract.

Notwithstanding any other provisions of this Contract, neither party will be responsible to the other party for consequential damages, including, but not limited to, loss of profit, loss of investment or business interruption.

8. **Liability:** The Contractor shall be, and agrees to be and remain liable for any and all damages, losses, and expenses incurred by the City caused by the errors, omissions, negligence or delays of the Contractor, or by any sub-contractor engaged by the Contractor in providing, performing and furnishing services, work or materials pursuant to this Contract and any and all damages, losses, and expenses to the City caused by the Contractor's negligent performance of any of its obligations contained in this Contract. The Contractor shall be liable and agrees to be liable for and shall indemnify and hold City harmless for any and all claims, suits judgments, or damages, losses and expenses, including court costs, expert witness and professional consultation services, and attorney fees arising out of the Contractor's errors, omissions, negligence, breaches of contract or delays, or those of any and all sub-contractors engaged by the Contractor during the providing, performing and furnishing of services or materials pursuant to this Contract.

9. **Licenses and Compliance with Regulations:** The Contractor agrees to and shall obtain and maintain throughout the period that this Contract is in effect, all licenses and authorizations as are required to do business in the State of Florida, including, but not limited to, licenses required by any federal and state boards and other governmental agencies responsible for regulating and licensing the services provided and performed by

Contractor pursuant to this Contract.

Contractor agrees to and will abide by and comply in accordance with the laws, statutes, ordinances, codes, rules, regulations and requirements of any and all governmental agencies which may regulate or have jurisdiction over the services to be provided and performed by Contractor for the City, and by any subcontractor engaged by the Contractor.

10. **Timely Accomplishment of Services and Liquidated Damages:**

The timely and expeditious accomplishment and completion by the Contractor of all services provided pursuant to this Contract is of the essence. The Contractor agrees to employ, engage, retain, and assign an adequate number of personnel throughout the period of this Contract so that all services provided pursuant to this Contract will be provided, performed and completed in a diligent, continuous, expeditious and timely manner throughout.

Time is of the essence in the Contract and all obligations thereunder. Time is of the essence in the Contract and all obligations thereunder. If the Contractor fails to complete the Services within fifteen (15) days from receipt of the samples or equipment, the City shall be entitled to retain or recover from the Contractor, as liquidated damages and not as a penalty, the sum of three hundred dollars and zero cents (\$300.00) per calendar day, commencing on the first day following expiration of the contract time and continuing until the actual date of completion. Such liquidated damages are hereby agreed to be a reasonable estimate of damages the City will incur as a result of delayed completion of the Services. The City may deduct

liquidated damages as described in this paragraph from any unpaid amounts then or thereafter due the Contractor under this Agreement. Any liquidated damages not so deducted from any unpaid amounts due the Contractor shall be payable to the City at the demand of the City, together with interest from the date of the demand at the maximum allowable rate.

11. **Controlling Law:** This Contract is to be governed by the laws of the State of Florida. If any term or provision of the Contract is found to be illegal or unenforceable such term or provision shall be deemed stricken and the remainder of the Contract shall remain in full force and effect. It is further agreed and understood that in the event of any dispute between the City and Contractor arising out of any interpretation or compliance with any of the terms, conditions, and requirements of this Contract proper venue for filing any lawsuit with respect to any such disputes shall lie in Columbia County, Florida. It is intended and understood that this venue provision shall survive any bankruptcy filing.

12. **Attorneys' Fees and Costs:** In the event of default by either party under the terms of the Contract, the defaulting party shall be liable for, and agrees to pay all costs and expenses incurred in the enforcement of this Contract, including reasonable attorneys' fees as well as fees, costs, and expenses in the collection of said expenses.

b. The Contractor shall comply with public records laws, specifically the Contractor shall:

1. Keep and maintain public records required by the City to perform the services.
2. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this Chapter 119 of Florida Statutes or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the City.

If the Contractor considers any portion of any documents, data, or records submitted to the City to be confidential, proprietary, trade secret or otherwise not subject to disclosure pursuant to Chapter 119, Florida Statutes, the Florida Constitution, or other law, Contractor must simultaneously provide the City with a separate redacted copy of the information it claims as confidential and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

5. Failure of the Contractor to provide the above described public records to the City within a reasonable time may subject Contractor to penalties under 119.10, Florida Statutes, as amended.

15. **E-VERIFY**: As a condition precedent to entering into this Contract, and in compliance with Section 448.095, Fla. Stat., Contractor and its subcontractors shall, register with and use the E-Verify system to verify work authorization status of all employees hired after January 1, 2021.

this section shall terminate the contract with the person or entity.

c. The City, upon good faith belief that a subcontractor knowingly violated the provisions of this section, but Contractor otherwise complied, shall promptly notify Contractor and Contractor shall immediately terminate the contract with the subcontractor.

d. A termination of this Contract under the provisions of this section is not a breach of contract and may not be considered such. Any contract termination under the provisions of this section may be challenged pursuant to Section 448.095(2)(d), Fla. Stat. Contractor acknowledges that upon termination of this Contract by the City for a violation of this section by Contractor, Contractor may not be awarded a public contract for at least one (1) year. Contractor further acknowledges that Contractor is liable for any additional costs incurred by the City as a result of termination of any contract for a violation of this section.

e. Contractor or subcontractor shall insert in any subcontracts the clauses set forth in this section, including this subsection, requiring the subcontractors to include these clauses in any lower tier subcontracts. Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in this section.

This Contract may only be amended, supplemented, modified, or canceled by a duly executed written instrument adopted by resolution.

17. **Effective and Binding:** This Contract shall not become effective or binding upon City unless and until the City Council of City shall have authorized the Mayor of the City to execute the same by the adoption of an official resolution.
