Firm Profile Folds Walker, LLC

Folds Walker, LLC is a full-service civil law firm serving the legal needs of municipalities, business, and individuals. The partners of the firm have long provided City Attorney Legal Services to multiple cities for nearly five decades. Currently, the firm provides legal services to the City of Newberry, City of High Springs, City of Archer, City of Starke, City of Williston, and Town of Micanopy. The firm has also provided representation to the Town of McIntosh and magistrate services to Alachua County, City of Cedary Key and City of Fanning Springs. This vast experience has provided our attorneys with a deep and broad understanding of government operations at all levels. For the past several years, the firm has received the highest available rating as a Preeminent Law Firm with a peer review rating "AV" from Martindale-Hubbell. In all aspects of our practice, our firm prefers a collaborative approach to completing tasks. We truly enjoy the camaraderie and familial environment that exists inside the office, and we strive to take the same approach with the City and the City staff. When the City presents our office a complex or difficult question or request, the City can be confident that each response has a wealth of experience, knowledge, and consideration behind it. We diligently investigate and research issues at hand to find an appropriate solution. Allison E. Folds' mentor, former City Attorney of Gainesville and former Judge, Osee Fagan, instituted this principle by placing great emphasis on every single City Attorney opinion given to the City.

The firm puts time and consideration into each opinion so that we may guarantee that our legal opinion is well researched and debated among many knowledgeable attorneys.

Our attorneys meet regularly to share knowledge and proactively manage our municipal representation so that we provided unsurpassed, quality legal service to our municipal clients. Our front desk receptionist and staff are educated in the names of City personnel and instructed to find an available attorney when any city personnel or Councilperson's call (Note: we do not use phone trees or voicemail). Accordingly, we believe we are accessible and proactive in avoiding problems that could otherwise metastasize into litigation.
