**NOTICE TO PETITIONER/LAND OWNER
CONCERNING SIGNS POSTED ON PROPERTY
FOR PUBLIC HEARINGS**

The City of Lake City Zoning Regulations require that properties for which Land Use Change, Zoning Change, Special Exceptions, or Variance is requested must be posted by the Department of Growth Management for a minimum period of ten (10) days prior to the Planning and Zoning Board or Board of Adjustment. If the request is one that must also be heard by the City Council, then it continues to be the property owner's responsibility to keep the property posted until after the final hearing by the City Council.

In the event the signs are moved, removed from the property, torn down, defaced, or otherwise disturbed, the applicant/property owner must immediately notify the Department of Growth Management so the property can be reposted. If the property is not properly posted until all hearings of the Planning and Zoning Board, Board of Adjustments, or City Council are completed, any one of the boards reserves the right to table a discussion on the request or continue the hearing until such time as the property is properly posted for the required period.

I (The Petitioner or Property Owner) have read the above statement and understand it is my responsibility to keep proper notification on the property as specified in the petition until all hearings requested are completed.
