SUBJECT: CDBG Waiver Wilson Park Amphitheater

DEPT / OFFICE: City Manager

Originator: Brenda Karr		
City Manager Don Rosenthal	Department Director	Date 8/25/2025
Recommended Action: Discussion and possible action.		
Summary Explanation & Background: The Procurement department did an ITB for the construction of an amphitheatre at Wilson Park. The single proposal received was over the \$750,000 CDBG grant amount that we obtained from Florida Department of Commerce. This petition for Waiver of Rule would be to request additional funding. Without the increased assistance for the funding of the amphitheatre the City of Lake City will not be able to complete construction.		
Alternatives: Not approve		
Source of Funds: CDBG funds		
Financial Impact: Project estimation is \$3,350,000.00.
