

<b>MEETING DATE</b>
February 22, 2022

# CITY OF LAKE CITY

## Report to Council

COUNCIL AGENDA	
<b>SECTION</b>	
<b>ITEM NO.</b>	

**SUBJECT:** SR 47/ I-75 Wastewater Improvements Projects RV Park Extension WG057

**DEPT / OFFICE:** Utility Administration

<b>Originator:</b> Paul Dyal		
<b>Interim City Manager:</b> Paul Dyal	<b>Department Director:</b> Paul Dyal	<b>Date:</b> 02-06-2022
<b>Recommended Action:</b> City Council consideration to approve and accept State of Florida Department of Environmental Protection (FDEP) grant in the amount of \$475,000.00 for wastewater improvements at the SR 47/ I-75 interchange.		
<b>Summary Explanation &amp; Background:</b>  The SR 47/I-75 interchange is within 100 feet of Cannon Creek. Cannon Creek Sink has a direct connection to Ichetucknee Springs and what overflows the sink travels to Rose Creek Sink, which has been dye trace studied to reach Ichetucknee Springs in 2-3 days. The Ichetucknee Spring is identified in the Santa Fe River Basin Management Action Plan (BMAP) as impaired for the nitrate form of nitrogen. The SR 47/I-75 Wastewater Improvements Project Phase 1 will provide nearby central sewer connectivity for residences and businesses near the SR 47/I-75 interchange. This project will allow for the decommissioning of existing septic systems in the area and conversion to centralized sewer, which will reduce nitrogen loading to the environment and benefit the BMAP.  This grant will allow the City of Lake City to complete the SR 47/I-75 Wastewater Improvements Project RV Park Extension to connect the Casey Jones RV Park to the City’s centralized wastewater collection system. This project will abandon existing septic tanks in the area, install low-pressure and gravity sewer mains, manholes, and approximately six grinder pump stations with associated piping.		
<b>Alternatives:</b> None		
<b>Source of Funds:</b> FDEP Grant - \$475,000.00		
<b>Financial Impact:</b> None, Grant Funded, With No Match		
<b>Exhibits Attached:</b> 1) WG057 FDEP Grant Agreement
