

MEETING DATE

CITY OF LAKE CITY

Report to Council

COUNCIL AGENDA	
SECTION	
ITEM NO.	

SUBJECT: General Engineering and Environmental Services

DEPT / OFFICE: Procurement

Originator: Brenda Karr		
City Manager Don Rosenthal	Department Director	Date 7/29/2024
Recommended Action: Establish Piggyback contract for General Engineering and Environmental Services off of Suwannee River Water Management District.		
Summary Explanation & Background: RFQ 22/23-30 for General Engineering and Environmental Services solicitation was from September 21, 2023 to December 1, 2023. The evaluation committee was held on April 9, 2024 in which they reviewed all proposals and ranked them based on the criteria. The committee members agreed with the final rankings and to move forward with firms for Engineering Services in which Four Waters Engineering Inc. was selected under Chapter C. Engineering Assessments, Development, and Design. By establishing contracts with multiple engineering firms this will give the City a full spectrum of engineering services. Task assignments will be assigned for each engineering project.		
Alternatives: Not accept to Piggyback off of Engineering Services awarded by RFQ 22/23-30.
