Re: Columbia County Local Hazard Mitigation Plan Approved Pending Adoption

Dear Director Morgan,

This is to confirm that we have completed a State review of the Columbia County Local Mitigation Strategy (LMS) update for compliance with the federal hazard mitigation planning standards contained in 44 CFR 201.6(b)-(d). Based on our review and comments, Columbia County developed and submitted all the necessary plan revisions and our staff has reviewed and approved these revisions. We have determined that the Columbia County LMS plan is compliant with federal standards, subject to formal community adoption, for the jurisdictions below:

Columbia County, Unincorporated
City of Lake City
Town of Fort White

Upon submittal of a copy of all participating jurisdictions' documentation of their adoption resolutions to our office, we will send all necessary documentation to the Federal Emergency Management Agency (FEMA) who will issue formal approval of the Columbia County LMS.

If you have any questions regarding this matter, please contact your LMS Liaison Laura Waterman at Laura.Waterman@em.myflorida.com or 850-815-4512.
