WHEREAS, the Department and the Agency are governmental offices entering into this Agreement in Region 2, Circuit 3;

WHEREAS, the diverse responsibilities and services provided by the Department and the Agency are integral to the administration of criminal justice and offender reentry in Columbia County, Florida;

WHEREAS, the Department and the Agency recognize that providing offenders with reentry assistance, as appropriate, is an anti-crime measure that reduces victimization, recidivism, and state spending on corrections;

WHEREAS, the Department and the Agency agree that offenders may face challenges to successful reentry, and can have difficulty identifying support services in their community prior to release;

WHEREAS, the Department and the Agency share the common goal of promoting public safety for the citizens of Columbia County, Florida, by reducing crime and recidivism by offenders under community supervision in the county through the efficient administration of policing and correctional services;

WHEREAS, the Department and the Agency recognize that the effective performance of their respective duties and the quality of the administration of this Agreement are dependent upon the efficient interaction of their offices and the mutual exchange of information and records; and

WHEREAS, the Department and the Agency recognize that a team problem-solving approach will more effectively address the issues facing their respective offices and that each could benefit from the other due to the variety of their collective perspectives, experiences, and available resources.

NOW THEREFORE, subject to controlling law, rules, regulations, or to other governing policies and procedures, and in consideration of the mutual promises expressed herein, the parties agree as follows:

I. AGREEMENT TERM AND RENEWAL

A. Agreement Term

This Agreement shall begin on October 23, 2023, or the date it is signed by both parties, whichever is later, and shall end on October 22, 2028. In the event this Agreement is signed by the parties on different dates, the latter date shall control.

B. Agreement Renewal

The Department has the option to renew this Agreement, in whole or in part, for up to an additional five (5) years beyond the initial term, or portions thereof, upon written agreement of both parties, and upon the same terms and conditions contained herein. Exercise of a renewal option shall be conditioned, at minimum, upon the Agency's performance of the Agreement. The Department, if it desires to exercise the renewal option, will provide written notice to the Agency no later than 30 calendar days prior to the Agreement's expiration date.

II. SCOPE OF AGREEMENT

A. Overview

The parties agree to work together to improve the administration of criminal justice and reentry services in Columbia County, Florida, by:

1. Improving the efficiency of the interaction of their offices;
2. Facilitating the exchange of information and records between the parties collected and maintained by each; and
3. Wherever pertinent, utilizing a team problem-solving approach to address the issues facing their respective offices and the criminal justice system.

Each party will retain responsibility for its personnel, and its fiscal and general administrative services utilized in support of this Agreement.

The parties agree to support and participate in this Agreement and its endeavors, objectives, and goals, which are directed only towards offenders under the supervision of the Department.

B. Responsibilities of the Department

The Department agrees, as resources allow, to perform the following duties in support of this Agreement:

1. Dedicate certain officers and resources to identify dangerous at-risk offenders under supervision;
2. Exchange with the Agency the following current information on absconders and offenders under the Department's supervision: addresses, offenses, conditions of supervision, and criminal histories;

3. Make initial contact with supervised offenders unless the situation dictates a warrantless arrest where the probation officer needs assistance from the Agency's officers, or other law enforcement agency officers, in arresting and transporting the offender to the county jail;
4. Compile and disseminate to Agreement participants pertinent reports on the status of targeted offenders;
5. Participate in Agency ride-alongs, to familiarize the Agency with the whereabouts, descriptions, and conditions of supervision of its community control offenders, sexual predators, sexual offenders, and high-risk offenders and to ensure that all violations are communicated to the supervising officers for notification to the applicable sentencing authority. All Department officers who volunteer for Agency ride-alongs must have received current mandatory use-of-force training, in accordance with Department Procedure 302.313 "Use of Force in Community Corrections." Probation officers with less than six (6) months' experience will be accompanied by a supervisor, senior officer, or specialist;
6. Provide violation warrants, or a probable cause affidavit, to the Agency to conduct a warrantless arrest to expedite the arrest process for an active warrant and assist the Agency, as necessary, in serving those warrants;
7. Conduct administrative searches, in accordance with Department Procedure 302.311 "Plain View Observations, Walk Through Visual Inspections, Searches, and Warrantless Arrests," to ensure that offenders are in compliance with their terms of supervision; and
8. Provide briefings to Agency's officers, in accordance with Rule 33-302.105, Florida Administrative Code (F.A.C.), and with Department Procedure 302.311 "Plain View Observations, Walk Through Visual Inspections, Searches, and Warrantless Arrests," on participation in warrantless arrests.
9. The Department will not participate in law enforcement activities where no Department offender is involved.

C. Responsibilities of the Agency

The Agency agrees, at its sole discretion and as resources allow, to perform the following duties in support of this Agreement:

1. Exchange with the Department current information and documentation on absconders and offenders under the supervision of the Department;
2. Assist probation officers on field visits to offender residences and places of employment, as necessary, to execute a warrant or warrantless arrest;
3. Assist probation officers in serving violation of supervision and absconder warrants.
4. Provide safety for probation officers, while they conduct administrative searches to ensure the offender's compliance with the terms of supervision, by controlling the offender, family members, or others present during the search, and may transport the offender to the county jail if warranted;

5. Assist in identifying, receipting, and securing any property seized during a search conducted by the Department;
6. Advise the Department of any violations of supervision that an offender commits in the presence of the Agency's officer(s), and may conduct a warrantless arrest upon confirmation with the Department that a violation has occurred;
7. Assist the Department in transporting and arresting absconders or offenders within the jurisdiction of Columbia County, Florida, or as otherwise permitted by law if the offender is found to violate supervision;
8. Conduct surveillance on high-risk offenders, as permitted by law, to locate an offender to conduct an arrest;
9. Provide the opportunity for Department officers to participate in Agency ride-alongs, to become familiar with the whereabouts, descriptions, and specified conditions of supervision of community control offenders, sexual predators, sexual offenders, and high-risk offenders, to ensure that all violations are communicated to the assigned supervising officer(s) for notification to the appropriate sentencing authority; and
10. Assist the Department's officers with monitoring the offender's compliance with supervision sanctions, by conducting a warrantless arrest if an offender is observed violating the terms or conditions of supervision in the community.

D. Joint Responsibilities

The parties mutually agree, as resources allow, to perform the following duties in support of this Agreement:

1. To further enhance public safety, each party agrees to commit its available resources to apprehend probationers, parolees, conditional releasees, and any other offenders under the supervision of the Department who have violated supervision terms established by the applicable sentencing authority.
2. Because a successful reentry strategy provides safer Florida communities, each party agrees that its available resources must be coordinated to provide offenders and ex-offenders the skills and support systems needed to successfully reintegrate into their communities.
3. Each party agrees to provide a designee to attend and serve as its representative at Agreement meetings, and meetings will be regularly held to discuss issues and methods to better achieve the goals of the Agreement.
4. The parties agree to exchange information as to their respective duties, responsibilities, and roles within the criminal justice system and offender reentry, their required interaction with, and reliance on, the other party, and their goals and objectives to maximize the use of resources and personnel to ensure successful offender reentry.
5. The parties agree to the extent allowable by law, rule, or regulation, to provide an immediate exchange of information regarding offenders, including suspected violations of supervision.

6. To maximize the use of resources and personnel, the parties agree to identify common, shared, or related duties, responsibilities, and goals and to coordinate the delivery of services to eliminate duplicity of effort and unnecessary cost.
7. The parties agree to discuss and establish Agreement-related policies and procedures for sharing or pooling resources and equipment to assist in improving the delivery and quality of their services.
8. The parties agree to review Agreement-related policies and procedures for communicating the initiatives and directives of the Agreement to their respective personnel for action and implementation.
9. The parties agree to discuss, formulate, and implement plans to educate the public about the duties and responsibilities of their respective offices.

III. FINANCIAL OBLIGATIONS
