

C-CBD

The image is an aerial photograph overlaid with a planning map. A large blue area on the left is labeled 'C-CBD'. A large orange-outlined area on the right is labeled 'RO'. A green-outlined area covers a central portion of the map, including a brown circular area and a pinkish area. A red dashed line runs along the bottom edge of the map, adjacent to a body of water. Small black dots are scattered across the map, likely representing utility poles or markers.
