(e) "SUB-CONTRACTOR" means any individual or firm offering professional services which is engaged by the Contractor or one of its sub-contractors in

providing and performing the professional services, work, and materials for which the Contractor is contractually obligated, responsible, and liable to provide and perform under this Contract and any and all amendments thereto. The City shall not be a party to, responsible, or liable for, or assume any obligation whatsoever for any agreement entered into between the Contractor and any sub-contractor or any sub-sub-contractor.

(f) "PARTIES" means the signatories to this Contract.

3. **Engagement of Contractor:** City hereby engages Contractor to provide City with the services identified herein and within the ITB.

4. **Term of Contract:** The Contractor shall fully complete all work required under this Contract within sixty (60) calendar days immediately following delivery of the equipment necessary to substantially perform the services. The term of this Contract may be extended only by a written agreement of the parties.

5. **Compensation and Method of Payment:** City agrees to pay the Contractor compensation for its services rendered to the City not to exceed the amount shown in Contractor's Bid which is a total of eighty-four thousand one hundred seventy-three dollars and zero cents (\$84,173.00). One payment shall be made to Contractor upon receipt of Contractor's one invoice which shall be submitted at the completion and acceptance of the Contractor's work. City reserves the right to withhold an amount City deems necessary to pay any claims for labor and services rendered and materials provided to Contractor or sub-Contractor in

furtherance of this Contract.

6. **Insurance:** Contractor agrees to and shall procure and maintain insurance during the term of this Contract and shall provide proof of the following insurance coverages to the City Procurement Department prior to the commencement of work:

Providing and maintaining adequate insurance coverage is a material obligation of the Contractor and is of the essence of the Contract. This Contract does not limit the types of insurance Contractor may desire to obtain or be required to obtain by law. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability or obligations under the Contract. All insurance

policies shall be through Insurers authorized to write policies in Florida. All certificates shall provide that the policy or policies of insurance shall not be changed or canceled until at least ten (10) days prior written notice shall have been given to City. 8. **Liability:** The Contractor shall be and agrees to be and remain liable for any and all damages, losses, and expenses incurred by the City caused by the errors, omissions, negligence, or delays of the Contractor, or by any sub-contractor engaged by the Contractor in providing, performing and furnishing services, work

Such liquidated damages are hereby agreed to be a reasonable estimate of damages the City will incur as a result of delayed completion of the Services. The City may deduct liquidated damages as described in this paragraph from any unpaid amounts then or thereafter due the Contractor under this Agreement. Any liquidated damages not so deducted from any unpaid amounts due the Contractor shall be payable to the City at the demand of the City, together with interest from the date of the demand at the maximum allowable rate.

11. **Controlling Law:** This Contract is to be governed by the laws of the State of Florida. If any term or provision of the Contract is found to be illegal or unenforceable such term or provision shall be deemed stricken and the remainder of the Contract shall remain in full force and effect. It is further agreed and understood that in the event of any dispute between the City and Contractor arising out of any interpretation or compliance with any of the terms, conditions, and requirements of

this Contract proper venue for filing any lawsuit with respect to any such disputes shall lie in Columbia County, Florida. It is intended and understood that this venue provision shall survive any bankruptcy filing.

12. **Attorneys' Fees and Costs:** In the event of default by either party under the terms of the Contract, the defaulting party shall be liable for, and agrees to pay all costs and expenses incurred in the enforcement of this Contract, including reasonable attorneys' fees as well as fees, costs, and expenses in the collection of said expenses.
