WITNESSETH:

WHEREAS, the City requested proposals pursuant to ITB-013-2025 (the "Procurement Document") for Lime rock Annual Contract; and

WHEREAS, based upon the City's assessment of Contractor's proposal, the City selected the Contractor to provide the Services defined herein; and

WHEREAS, Contractor represents it has the experience and expertise to perform the Services set forth in this Agreement.

NOW, THEREFORE, in consideration of the above recitals, the mutual covenants, agreements, terms and conditions herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree as follows:

1. Definitions.

- b. "City Confidential Information" means any City information deemed confidential and/or exempt from Section 119.07, Florida Statutes, and Section 24(a), Article 1 of the Florida Constitution, or other applicable law, and any other information designated in writing by the City as City Confidential Information.
- c. "Contractor Confidential Information" means any Contractor information designated as confidential and/or exempt by Florida's public records law, including information constituting a trade secret pursuant to Chapter 688, Florida Statutes, and is designated in this Agreement or in writing as a trade secret by Contractor (unless otherwise determined to be a public record by applicable Florida law). Notwithstanding the foregoing, Contractor Confidential Information does not include information: (1) becoming public other than as a result of a disclosure by the City in breach of the Agreement; (2) becoming available to the City on a non-confidential basis from a source other than Contractor, which is not prohibited from disclosing such information by obligation to Contractor; (3) known by the City prior to its receipt from Contractor without any obligation or confidentiality with respect thereto; or (4) is developed by the City independently of any disclosures made by Contractor.
- d. "Contractor Personnel" means all employees of Contractor, and all employees of subcontractors of Contractor, including, but not limited to temporary and/or leased employees, who are providing the Services at any time during the project term.
- e. "Services" means the work, duties and obligations to be carried out and performed safely by Contractor under this Agreement, as described throughout this Agreement and as specifically described in Exhibit A ("Statement of Work") attached hereto and incorporated herein by reference. As used in this Agreement, Services shall include any component task, subtask,

2. **Conditions Precedent.** This Agreement, and the Parties' rights and obligations herein, are contingent upon and subject to the Contractor securing and/or providing the performance security, if required in Section 3, and the insurance coverage(s) required in Section 13, within ten (10) days of the Effective Date. No Services shall be performed by the Contractor and the City shall not incur any obligations of any type until Contractor satisfies these conditions. Unless waived in writing by the City, in the event the Contractor fails to satisfy the conditions precedent within the time required herein, the Agreement shall be deemed not to have been entered into and shall be null and void.

3. **Services.**

Contractor shall commence performing the applicable Additional Services promptly upon receipt of written approval as provided herein.
- d. **De-scoping of Services.** The City reserves the right, in its sole discretion, to de-scope Services upon written notification to the Contractor by the City. Upon issuance and receipt of the notification, the Contractor and the City shall enter into a written amendment reducing the appropriate Services Fee for the impacted Services by a sum equal to the amount associated with the de-scoped Services as defined in the payment schedule in this Agreement, if applicable, or as determined by mutual written consent of both Parties based upon the scope of work performed prior to issuance of notification.

DISPUTE RESOLUTION IN MATTERS OF INVOICE PAYMENTS

Payment of invoices for work performed for City of Lake City (CITY) is made, by standard, in arrears in accordance with Section 218.70, et. seq., Florida Statutes (the Local Government Prompt Payment Act).

If a dispute should arise as a result of non-payment of a payment request or invoice the following Dispute Resolution process shall apply:

- A. City of Lake City shall notify a vendor in writing, within ten (10) days after receipt of an improper invoice, that the invoice is improper. The notice should indicate what steps the vendor should undertake to correct the invoice and resubmit a proper invoice to the City, which steps shall include initially contacting the requesting department to validate Contractor's invoice conforms with the terms and conditions of the agreement. Once the requesting department determines Contractor's invoice conforms with the terms and conditions of the agreement, the vendor should resubmit the invoice as a "Corrected Invoice" to the requesting department which will initiate the payment timeline.
 - 1) Requesting department for this purpose is defined as the City department for whom the work is performed.
 - 2) Proper invoice for this purpose is defined as an invoice submitted for work performed where such work meets the terms and conditions of the agreement to the satisfaction of the City of Lake City.
- B. Should a dispute result between the vendor and the City about payment of a payment request or an invoice then the vendor should submit their dissatisfaction in writing to the Requesting Department. Each Requesting Department shall assign a representative who shall act as a "Dispute Manager" to resolve the issue at departmental level.
- C. The Dispute Manager shall first initiate procedures to investigate the dispute and document the steps taken to resolve the issue in accordance with section 218.76 Florida Statutes. Such procedures shall be commenced no later than forty-five (45) days after the date on which the payment request or invoice was received by City of Lake City, and shall not extend beyond sixty (60) days after the date on which the payment request or invoice was received by City of Lake City.
- D. The Dispute Manager should investigate and ascertain whether the work, for which the payment request or invoice has been submitted, was performed to City of Lake City's satisfaction and duly accepted by the Proper Authority. Proper Authority for this purpose is defined as the City of Lake City representative who is designated as the approving authority for the work performed in the contractual document. The Dispute Manager shall perform the required investigation and arrive at a solution before or at the sixty (60) days' timeframe for resolution of the dispute, per section 218.76, Florida Statutes. The City Manager or his or her designee shall be the final arbiter in resolving the issue before it becomes a legal matter. The City Manager or his or her designee will issue their decision in writing.
- E. City of Lake City Dispute Resolution Procedures shall not be subject to Chapter 120 of the Florida Statutes. The procedures shall also, per section 218.76, Florida Statutes, not be intended as an administrative proceeding which would prohibit a court from ruling again on any action resulting from the dispute.
- F. Should the dispute be resolved in the City's favor interest charges begin to accrue fifteen (15) days after the final decision made by the City. Should the dispute be resolved in the vendor's favor the City shall pay interest as of the original date the payment was due.
- G. For any legal action to recover any fees due because of the application of Sections 218.70 et. seq., Florida Statutes, an award shall be made to the prevailing party to cover court costs and reasonable attorney fees, including those fees incurred as a result of an appeal if the reason for the dispute is because the non-prevailing party held back any payment without having a reasonable basis to dispute the prevailing party's claim to those amounts.
