Providing and maintaining the adequate insurance coverage is a material obligation of the Contractor and is of the essence of the Contract. This Contract does not limit the types of insurance the Contractor may desire to obtain or be required to obtain by law. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability or obligations under the Contract. All insurance policies shall be through Insurers authorized to write policies in Florida. All certificates shall provide that the policy or policies of insurance shall not be changed or canceled until at least ten (10) days prior written notice shall have been given to City. As to insurance other than workers' compensation and professional liability insurance, the coverage shall name City as an additional insured for the City's vicarious liability resulting from the conduct of Contractor and other employed or utilized sub-Contractors in the performance of the services.

7. **Indemnity:** Contractor is an independent contractor and agrees to indemnify, and hold harmless the City and its agents, and employees from and against all suits, actions, claims, damages, costs, charges, and expenses, including court costs and attorneys' fees, of any character caused by or brought because of any injury or damage, received or sustained by any person, persons, or property caused by or resulting from any asserted negligent act, errors, or omissions of

Contractor or its agents, employees, or sub-contractors.

The indemnity required hereunder shall not be limited by reason of the specifications of any particular insurance coverage in this Contract.

Notwithstanding any other provisions of this Contract, neither party will be responsible to the other party for consequential damages, including, but not limited to, loss of profit, loss of investment, or business interruption.

8. **Liability:** The Contractor shall be and agrees to be and remain liable for any and all damages, losses, and expenses incurred by the City caused by the errors, omissions, negligence, or delays of the Contractor, or by any sub-contractor engaged by the Contractor in providing, performing and furnishing services, work or materials pursuant to this Contract and any and all damages, losses, and expenses to the City caused by the Contractor's negligent performance of any of its obligations contained in this Contract. The Contractor shall be liable and agrees to be liable for and shall indemnify and hold City harmless for any and all claims, suits judgments, or damages, losses and expenses, including court costs, expert witness and professional consultation services, and attorney fees arising out of the Contractor's errors, omissions, negligence, breaches of contract or delays, or those of any and all sub-contractors engaged by the Contractor during the providing, performing and furnishing of services or materials pursuant to this Contract.

9. **Licenses and Compliance with Regulations:** The Contractor agrees to and shall obtain and maintain throughout the period that this Contract is in effect, all licenses and authorizations as are required to do business in the State of Florida, including, but not limited to, licenses required by any federal and state boards and other government agencies responsible for regulating and licensing the services provided and performed by Contractor pursuant to this Contract.

Contractor agrees to and will abide by and comply in accordance with the laws, statutes, ordinances, codes, rules, regulations, and requirements of any and all governmental agencies which may regulate or have jurisdiction over the services to be provided and performed by the Contractor for the City, and by any sub-contractor engaged by the Contractor.

10. **Timely Accomplishment of Services and Liquidated Damanges:** The timely and expeditious accomplishment and completion by the Contractor of all services provided pursuant to this Contract is of the essence. The Contractor agrees to employ, engage, retain, and assign an adequate number of personnel throughout the period of this Contract so that all services provided pursuant to this Contract will be provided, performed, and completed in a diligent, continuous, expeditious, and timely manner throughout.

Time is of the essence in the Contract and all obligations thereunder. If the Contractor fails to complete the Services within sixty-five (65) calendar days after delivery of the necessary equipment, the City shall be entitled to retain or recover from the Contractor, as liquidated damages and not as a penalty, the sum of three hundred dollars and zero cents (\$300.00) per calendar day, commencing on the first day following expiration of the contract time and continuing until the actual date of completion. Such liquidated damages are hereby agreed to be a reasonable estimate of damages the City will incur as a result of delayed completion of the Services. The City may deduct liquidated damages as described in this paragraph from any unpaid amounts then or thereafter due the Contractor under this Agreement. Any liquidated damages not so deducted from any unpaid amounts due the Contractor shall be payable to the City at the demand of the City, together with interest from the date of the demand at the maximum allowable rate.

11. **Controlling Law:** This Contract is to be governed by the laws of the State of Florida. If any term or provision of the Contract is found to be illegal or unenforceable such term or provision shall be deemed stricken and the remainder of the Contract shall remain in full force and effect. It is further agreed and understood that in the event of any dispute between the City and Contractor arising out of any interpretation or compliance with any of the terms, conditions, and requirements of this Contract proper venue for filing any lawsuit with respect to any such disputes shall lie in Columbia County, Florida. It is intended and understood that this venue provision shall survive any bankruptcy filing.

The Contractor shall notify the City of any legal actions filed against it by a governmental subdivision or for any claims of sub-Contractors or materialmen. Failure to notify the City of a legal action within thirty (30) days of the action shall be grounds for termination.

All records stored electronically must be provided to the City, upon request from the City’s custodian of public records, in a format that is compatible with the information technology systems of the City.
