Good afternoon Dee,

I'd like to move forward with discontinuing this agreement. Based on email from Joel, I would like to start the process on what we need to do as soon as possible.

**Subject:** RE: Interlocal  
**Importance:** High

The City Council resolution is from February of 2022, but the Interlocal Agreement attached to it is from November of 2021. There were TWO interlocals, and the November one was superseded by the one approved in January and February of 2022.

According to the November Interlocal under Term:

"This agreement shall become effective upon the recording of this agreement in the Public Records of Columbia County and shall continue in full force and effect until amended, canceled, or superseded, but in no event for a period longer than twelve (12) months."

However, in a draft from January 13, 2022, this language was used for Term:

"This agreement shall become effective upon the recording of this agreement in the Official Records of Columbia County and shall continue in full force and effect until amended, canceled, or superseded. Either party may terminate this agreement, with or without cause, by providing the other with written notice at least 180 day prior to the effective date of such termination."

On January 20, 2022, as Item No. 4 under CM Kraus (attached), the Board of County Commissioners considered and unanimously adopted the more recent draft with term language quoted directly above.

On February 7, 2022, as Item 23 of its Agenda, the City Council considered and approved the more recent iteration of the agreement.

Do we have a fully executed copy of the January 2022 draft that the Board of County Commissioners and Town Council approved?

This is important because the January 2022 version does not automatically terminate in the way the interim agreement from November did. It would not be necessary to prepare any additional agreements following the January 2022 agreement as it would run until terminated with proper notice. If we do not have a fully executed copy, get one. The Board and Council have agreed and it is imperative that our records reflect that agreement.

Sincerely,

Joel

Gentlemen,

Please see the attached interlocal. I'm not sure if this will be the final agreement, but this is the most recent I can find on my end.
