***Re: Termination of Interlocal Agreement***

Dear Paul,

Upon review of the documents and correspondence, we believe that a resolution must be passed by the Council in order to terminate the Interlocal Agreement. As the Council is the body permitted to authorize execution of agreements, the Council is also the only body authorized to permit the termination of agreements.

If you have any additional questions, please do not hesitate to contact me.

Sincerely,

Thomas J. Kennon, III, Esq.
