DISPUTE RESOLUTION IN MATTERS OF INVOICE PAYMENTS

Payment of invoices for work performed for City of Lake City (CITY) is made, by standard, in arrears in accordance with Section 218.70, et. seq., Florida Statutes (the Local Government Prompt Payment Act).

If a dispute should arise as a result of non-payment of a payment request or invoice the following Dispute Resolution process shall apply:

- A. City of Lake City shall notify a vendor in writing, within ten (10) days after receipt of an improper invoice, that the invoice is improper. The notice should indicate what steps the vendor should undertake to correct the invoice and resubmit a proper invoice to the City, which steps shall include initially contacting the requesting department to validate Contractor's invoice conforms with the terms and conditions of the agreement. Once the requesting department determines Contractor's invoice conforms with the terms and conditions of the agreement, the vendor should resubmit the invoice as a "Corrected Invoice" to the requesting department which will initiate the payment timeline.
 - 1) Requesting department for this purpose is defined as the City department for whom the work is performed.
 - 2) Proper invoice for this purpose is defined as an invoice submitted for work performed where such work meets the terms and conditions of the agreement to the satisfaction of the City of Lake City.
- B. Should a dispute result between the vendor and the City about payment of a payment request or an invoice then the vendor should submit their dissatisfaction in writing to the Requesting Department. Each Requesting Department shall assign a representative who shall act as a "Dispute Manager" to resolve the issue at departmental level.
- C. The Dispute Manager shall first initiate procedures to investigate the dispute and document the steps taken to resolve the issue in accordance with section 218.76 Florida Statutes. Such procedures shall be commenced no later than forty-five (45) days after the date on which the payment request or invoice was received by City of Lake City, and shall not extend beyond sixty (60) days after the date on which the payment request or invoice was received by City of Lake City.
- D. The Dispute Manager should investigate and ascertain whether the work, for which the payment request or invoice has been submitted, was performed to City of Lake City's satisfaction and duly accepted by the Proper Authority. Proper Authority for this purpose is defined as the City of Lake City representative who is designated as the approving authority for the work performed in the contractual document. The Dispute Manager shall perform the required investigation and arrive at a solution before or at the sixty (60) days' timeframe for resolution of the dispute, per section 218.76, Florida Statutes. The City Manager or his or her designee shall be the final arbiter in resolving the issue before it becomes a legal matter. The City Manager or his or her designee will issue their decision in writing.
- E. City of Lake City Dispute Resolution Procedures shall not be subject to Chapter 120 of the Florida Statutes. The procedures shall also, per section 218.76, Florida Statutes, not be intended as an administrative proceeding which would prohibit a court from ruling again on any action resulting from the dispute.
- F. Should the dispute be resolved in the City's favor interest charges begin to accrue fifteen (15) days after the final decision made by the City. Should the dispute be resolved in the vendor's favor the City shall pay interest as of the original date the payment was due.
- G. For any legal action to recover any fees due because of the application of Sections 218.70 et. seq., Florida Statutes, an award shall be made to the prevailing party to cover court costs and reasonable attorney fees, including those fees incurred as a result of an appeal if the reason for the dispute is because the non-prevailing party held back any payment without having a reasonable basis to dispute the prevailing party's claim to those amounts.
