A tap application and utility plans would need to be submitted in order to apply for water, sewer, and/or natural gas services. This response does not represent the City of Lake City's commitment to or reservation of capacity. In accordance with the City of Lake City's policies and procedures, commitment to serve is made only upon the City of Lake City's approval of your application for service, utility plans, and receipt of your payment for all applicable fees.

Environmental resource permit (ERP) has not been issued for this site. There are no previous or ongoing compliance issues on the property. An individual ERP would likely be required given the extent of wetlands on the property and proposed commercial activity. SRWMD recommends the applicant schedule a pre-application meeting to discuss permitting requirements.
