Mayor Noah Walker  
City of Lake City  
205 N Marion Avenue  
Lake City, FL 32055

Dear Mayor Walker:

When I accepted my appointment as a trustee of the Lake City Firefighters Pension plan now over 20 years ago, I committed to actively participate and attend meetings of the board; I have generally done so up until recently.

My responsibilities at First Federal Bank have evolved such that I am unable to regularly attend the pension meetings and still meet my obligations to the bank.

Due to this and some other reasons, please accept this letter as my resignation as a trustee of the Lake City Firefighters Retirement Plan effective immediately. I appreciate the opportunity to have worked with the city and wish everyone much success in the future.

Sincerely,

David Brewer
