

June 26, 2026

To the Governing Board,
Lake City Community Redevelopment Agency:

We have audited the financial statements of the Lake City Community Redevelopment Agency (the CRA) as of and for the year ended September 30, 2025, and have issued our report thereon dated June 26, 2026. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated July 27, 2023, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the CRA solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm has complied with all relevant ethical requirements regarding independence.

We have applied safeguards related to our preparation of the CRA's financial statements, including, but not limited to, an assessment of management's skill, knowledge, and experience.

Significant Risks Identified

Professional standards require that we, as auditors, identify significant risks that impact the audit based upon the nature of the organization and design our audit procedures to adequately address those risks. As part of the audit process, we have identified the following significant risks, which are being communicated solely to comply with auditing standards and do not represent any specific finding and/or concerns related to the audit:

- Override of internal controls by management is an inherent risk according to GAAS
- Improper revenue recognition due to fraud is an inherent risk according to GAAS
- Improper use of restricted resources

Our audit was designed to adequately address the above risks and no issues were noted that impacted our ability to render an opinion on the financial statements.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the CRA is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. There were no such sensitive accounting estimates affecting the financial statements.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the CRA's financial statements relate to:

Note 3 to the financial statements summarizes the CRA's deposits and investments.

Note 4 to the financial statements summarizes the CRA's long-term debt obligations, including future debt service payments.

Significant Unusual Transactions

There were no significant unusual transactions identified as a result of our audit procedures that were brought to the attention of management and required to be communicated to you.

Identified or Suspected Fraud

We have not identified, nor have we obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. A summary of the uncorrected misstatements of the financial statements follows:

- None noted.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following list summarizes the corrected misstatements that have been recorded by management:

- None noted.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the CRA's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditors' Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. No such circumstances arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated June 26, 2026.

To the Honorable Mayor and City Commission Members,
City of Lake City, Florida
June 26, 2026

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the CRA, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the CRA's auditors

This report is intended solely for the information and use of the governing board and management of the CRA and of the City of Lake City, Florida, and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully,

A handwritten signature in dark ink that reads "James Moore & Co., P.L." The signature is written in a cursive, flowing style.
