SUBJECT: Dog Park

Recommended Action: Approval to move forward with a dog park on parcel 00-00-12300-00, adjacent to the City of Lake City Information Technology Department, located on NW Desoto Street between NW Stadium Terrace and NW Hilton Avenue.		
Summary Explanation & Background: The City of Lake City had a tentative agreement with the Lake City Humane Society to place a dog park on their property. However, that arrangement has not been approved. My recommendation is to move forward with the dog park on the City property adjacent to the Information Technology Department Building.
