

## **Town of Lake Lure No Conflict of Interest Certification**

The Town of Lake Lure hereby certifies that, to the best of its knowledge and belief, there are no present or currently planned interests (financial, contractual, organizational, or otherwise) relating to the work to be performed as part of the Town of Lake Lure Dredging project that would create any actual or potential conflicts of interest (or apparent conflicts of interest) for any of its employees, contractors, subcontractors, designees or other entities or individuals involved in the Town of Lake Lure Dredging project (including conflicts of interest for immediate family members: spouses, parents, or children) that would impinge on its ability to render impartial, technically sound, and objective assistance or advice or result in it being given an unfair competitive advantage.

In this certification, the term "potential conflict" means reasonably foreseeable conflicts of interest. The Town of Lake Lure further certifies that it has and will continue to exercise due diligence in identifying and removing or mitigating, to the NC Department of Environmental Quality's satisfaction, any such conflict of interest (or apparent conflict of interest).
