SNAP Challenge!**

DO YOU ACCEPT?

September is Hunger Action Month. This year, United Way of Palm Beach County Hunger Relief is raising awareness about food insecurity in Palm Beach County by asking community members to participate in the SNAP Challenge. The SNAP Challenge provides an opportunity to experience how challenging it is for families and individuals living on SNAP (Supplemental Nutrition Food Assistance Program), formerly known as Food Stamps, to simultaneously avoid hunger, afford nutritious foods, and stay healthy with limited resources. The Center on Budget and Policy Priorities estimates that the average monthly benefit amount for Floridians in 2025 is approximately \$184 per month, per person, or about \$6.08 per day.

The SNAP Challenge lasts a total of three consecutive days of your choice between September 8 – 12, 2025. The three-day challenge will lead up to Hunger Action Day on September 16 , 2025.

What is the Supplemental Nutrition Assistance Program (SNAP)?

SNAP is the largest program working to fight hunger in America. Administered by the U.S. Department of Agriculture (USDA), SNAP (previously named the Food Stamp Program) provides nutrition benefits to supplement the food budget of low-income families so they can purchase healthy food and move towards self-sufficiency. According to the Food Research and Action Center (FRAC), by providing monthly benefits to eligible low-income people to purchase food, SNAP plays a critical role in reducing hunger, malnutrition, poverty, and improving family security, child and adult health, employment, and other outcomes. Studies estimate that each dollar in federally funded SNAP benefits generates between \$1.50 and \$1.80 in economic activity.

Why the SNAP Challenge?

The SNAP Challenge brings personal understanding and public awareness to the struggle faced by millions of low-income Americans to obtain adequate food on a very limited budget.

THE CHALLENGE

1. Each person should spend up to \$6.08 per day for food and beverages during the challenge timeframe. This is the average national SNAP recipient dollar amount benefit. All food purchased and eaten during the Challenge week, including dining out, must be included in the total spending.
2. If you plan to buy groceries for the week during the Challenge, eat only food that you purchased for the project. If you eat food that you already have at home or that is given to you by friends, family, or work, account for it in your SNAP budget.
3. Keep track of receipts on food spending and take notes of your experiences throughout the timeframe.
4. Optional: Record a 90-second video, and/or write a short blog with photos, sharing your daily experience of the Challenge. Post the 90-second video and/or blog to your social media platforms using the tags: #SNAPChallenge and #HungerActionMonth25. Be sure to tag United Way of Palm Beach County and any other agency you feel can help raise awareness.
5. The videos you post on your social media will be used by United Way of Palm Beach County for advocacy and education efforts during September's Hunger Action Month. (See Challenge Breakdown below).
6. Share your experience and invite others to join you, including family, friends, coworkers, reporters, chefs, and elected officials.

BY PARTICIPATING YOU COMMIT TO THE FOLLOWING:

1. Spend only \$6.08 on your total meals for each day, including breakfast, lunch, dinner, and beverages during the timeframe of September 8 – September 12, 2025.
2. Only consume food and beverages you purchased using your \$18.25 budget for the three days of the Challenge.
3. Tag United Way of Palm Beach County on your social media posts and use #SNAPChallenge and #HungerActionMonth25.
4. Optional: Post a total of six blog posts or 90-second reflection videos throughout the week that the SNAP Challenge takes place on your social media platform of choice. Refer to pages 2-3 for more information.
