4. **Grant Payments.** All grant payments are requested by submitting a Payment Request. Payment Requests and supporting documentation must be submitted on the DOS Grants System at [dosgrants.com](http://dosgrants.com). The total grant award shall not exceed \$42,090 which shall be paid by the Division in consideration for the Subgrantee's minimum performance as set forth by the terms and conditions of this Agreement. The grant payment schedule is outlined below:
  - a. All payments will be made in the amounts identified with the Deliverables in Section 1 of this Agreement.
  - b. All payments will be made in accordance with the completion of those Deliverables.

5. **Electronic Payments.** The Subgrantee can choose to use electronic funds transfer (EFT) to receive grant payments. All Subgrantees wishing to receive their award through EFT must submit a Vendor Direct Deposit Authorization form (form number DFS-AI-26E rev 3/2022), incorporated by reference, to the Florida Department of Financial Services. If EFT has already been set up for your organization, you do not need to submit another authorization form unless you have changed bank accounts. To download this form, visit <https://www.myfloridacfo.com/division/aa/vendors>. The form also includes tools and information that allow you to check on payments.
6. **Florida Substitute Form W-9.** A completed Substitute Form W-9 is required from any entity that receives a payment from the State of Florida that may be subject to 1099 reporting. The Department of Financial Services (DFS) must have the correct Taxpayer Identification Number (TIN) and other related information in order to report accurate tax information to the Internal Revenue Service (IRS). To register or access a Florida Substitute Form W-9 visit [flvendor.myfloridacfo.com](http://flvendor.myfloridacfo.com). **A copy of the Subgrantee's Florida Substitute Form W-9 must be submitted with the executed Agreement.**
7. **Changes to Project.** Should the Subgrantee wish to make changes to the outcomes, Scope of Work, equipment to be purchased, key personnel, expenditures or deliverables, the Subgrantee must request permission to revise the project. This is done by submitting a Change Request. Changes within a budget category that are more than ten percent (10%) of the award or that move funds from one budget category to another require submission of a Change Request. Approval must be obtained from the Division before the changes are implemented in the project. Approval will be granted for changes that are consistent with the intent of the approved application or prior Change Requests. Changes to the project must be requested using the Change Request in the DOS Grants System at [dosgrants.com](http://dosgrants.com).
8. **Amendment to Contract.** Either party may request modification of the provisions of this Agreement by filing a Change Request with the Division. The Change Request must be submitted using the DOS Grants System at [dosgrants.com](http://dosgrants.com). Changes that are agreed upon shall be valid only when amended in writing, signed by each of the parties and attached to the original of this Agreement. If changes are implemented without the Division's written approval, the organization is subject to noncompliance, the grant award is subject to partial or complete refund to the State of Florida and this agreement is subject to termination.
9. **Financial Consequences.** The Department shall apply the following financial consequences for failure to perform the minimum level of services required by this Agreement in accordance with Sections 215.971 and 287.058, *Florida Statutes*:

11. **Matching Funds.** If a project is awarded less than \$10,000 (\$0-\$9,999) in grant funds or is a statewide project administered by a local organization as part of a Division statewide program, no matching funds are required. All other projects must provide local matching funds that equal a minimum of one-third (1/3) of the amount of federal grant funds awarded. Upon request, the Division will waive the financial matching requirements on grants for libraries located in counties or communities with rural status in compliance with Sections 288.0656 and 288.06561, *Florida Statutes*.

In addition, the following are not allowed as matching expenditures:

- Other federal grant funds.
- Volunteer time.

12. **Grant Completion Deadline.** The Grant Completion Deadline is **September 30, 2026**. The Grant Completion Deadline is the date by which all grant and matching funds have been expended in accordance with the work described in the Scope of Work as detailed in the Estimated Project Budget.

13. **Acknowledgement of Grant Funding.** Both the Institute of Museum and Library Services (IMLS) and the Division require public acknowledgement of Library Services and Technology Act (LSTA) grant funding for activities and publications supported by grant funds. Any announcements, information, press releases, publications, brochures, videos, webpages, programs, etc., created as part of an LSTA project must include an acknowledgment that LSTA funds were used to create them.

Use the following text:

“This project was funded under the provisions of the Library Services and Technology Act from the Institute of Museum and Library Services. Florida’s LSTA program is administered by the Department of State’s Division of Library and Information Services.”

Additionally, when the subgrantee issues statements, press releases, requests for proposals, bid solicitations and other documents describing the programs funded in whole or in part with federal money, all of the following must be clearly stated:

1. Percentage and dollar amount of the total costs of the program or project which will be financed with federal government money.
2. Percentage and dollar amount of the total costs of the project or program financed with state government money.
3. Percentage and dollar amount of the total costs of the project or program financed with local government money.
4. Percentage and dollar amount of the total costs of the program or project financed with other non-governmental money.

14. **Project Expenditures.** The Subgrantee agrees to expend all project (grant and matching) funds received under this agreement solely for the purposes for which they were authorized

and appropriated. Grant and matching expenditures shall be in compliance with the state and federal guidelines for allowable project costs. State guidelines for allowable costs are outlined in the Department of Financial Services' *Reference Guide for State Expenditures* (as of October 2022), incorporated by reference, which are available online at [myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337\\_2](https://myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337_2). Federal guidelines for allowable costs can be found at <https://www.govinfo.gov/content/pkg/CFR-2023-title2-vol1/pdf/CFR-2023-title2-vol1-part200-subpartE.pdf> in 2 *CFR* Part 200, *Subpart E – Cost Principles* (as of January 2023), incorporated by reference.

In addition, the following are not allowed as grant or matching expenditures:

1. Construction. Funds may not be used to build, remodel or expand library facilities. However, they may be used to retrofit a building to accommodate technologies (e.g., wiring).
2. Audits. If the Subgrantee's governing entity has received less than \$750,000 in federal funds, LSTA funds may not be used to cover audit costs.
3. Food. Although food may be served at a program being paid for with grant or local match funds, the food may not be purchased with grant or matching funds.
4. Motor vehicles. Grant or local match funds may not be used for the purchase or continuous lease of motor vehicles.
5. Prohibition of expenditures to library associations, see Section 38 below.

15. **Travel Expenses.** The Subgrantee must pay any travel expenses, from grant or local matching funds, in accordance to the provisions of Section 112.061, *Florida Statutes*.

16. **Equipment Purchased With Grant or Local Match Funding.** Before the Subgrantee can purchase any equipment with a purchase price of more than \$10,000 (per item), the Division must request approval from the Institute of Museum and Library Services. The Subgrantee will be notified once the approval has been obtained.

17. **Unobligated and Unearned Funds and Allowable Costs.** In accordance with Section 215.971, *Florida Statutes*, the Subgrantee shall refund to the State of Florida any balance of unobligated funds which has been advanced or paid to the Subgrantee. In addition, funds paid in excess of the amount to which the Subgrantee is entitled under the terms and conditions of the agreement must be refunded to the state agency. Further, the Subgrantee may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. Expenditures of state and federal financial assistance must be in compliance with the laws, rules and regulations applicable to expenditures of funds. For state funds, guidelines for allowable costs are outlined in the Department of Financial Services' *Reference Guide for State Expenditures* (as of October 2022) [myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337\\_2](https://myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337_2) incorporated by reference. For federal funds, guidelines for allowable costs can be found in 2 *CFR* Part 200 *Subpart E – Cost Principles*.

18. **Repayment.** All refunds or repayments to be made to the Department under this agreement are to be made payable to the order of “Department of State” and mailed directly to the following address: Florida Department of State, Attention: Georgia Mitchell, Division of Library and Information Services, 500 South Bronough Street, Mail Station #9D, Tallahassee, Florida 32399. In accordance with Section 215.34(2), *Florida Statutes*, if a check or other draft is returned to the Department for collection, Subgrantee shall pay to the Department a service fee of \$15.00 or five percent (5%) of the face amount of the returned check or draft, whichever is greater.
19. **Single Audit Act.** Each Subgrantee, other than a Subgrantee that is a state agency, shall submit to an audit pursuant to the federal Single Audit Act, 2 *Code of Federal Regulations* Part 200, *Subpart F – Audit Requirements* (<https://www.govinfo.gov/content/pkg/CFR-2023-title2-vol1/pdf/CFR-2023-title2-vol1-part200-subpartF.pdf> (as of January 2024)), incorporated by reference. See Attachment B for additional information regarding this requirement. If a Subgrantee is not required by law to conduct an audit in accordance with the Florida Single Audit Act because it did not expend at least \$750,000 in state financial assistance, it must submit a Financial Report on its operations pursuant to Section 218.39, *Florida Statutes*, within nine months of the close of its fiscal year. The audit must be submitted using the DOS Grants System at [dosgrants.com](https://dosgrants.com).
20. **Retention of Grant Records.** Financial records, supporting documents, statistical records and all other records, including electronic storage media pertinent to the Project, shall be retained through June 30, 2034. If any litigation or audit is initiated or claim made, the records shall be retained until June 30, 2034, or five fiscal years after the litigation, audit or claim has been completed and all issues arising from it have been resolved, whichever is later.
21. **Obligation to Provide State Access to Grant Records.** The Subgrantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts and transcripts.
22. **Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Subgrantee refuses public access to all documents or other materials made or received by the Subgrantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Subgrantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.
23. **Noncompliance.** Any Subgrantee that is not following Florida statutes or rules, the terms of the grant agreement, Florida Department of State (DOS) policies and guidance, local policies or other applicable law, or that has not submitted required reports or satisfied other administrative requirements for other Division of Library and Information Services grants or grants from any other DOS Division will be in noncompliance status and subject to the DOS Grants Compliance Procedure. DOS Divisions include the Division of Arts and Culture, the Division of Elections, the Division of Historical Resources and the Division of Library and

Information Services. Grant compliance issues must be resolved before a grant award agreement may be executed and before grant payments for any DOS grant may be released.

24. **Accounting Requirements.** The Subgrantee must maintain an accounting system that provides a complete record of the use of all project (grant and matching) funds as follows:

- a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance and expenditure of project funds.
- b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Subgrantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Subgrantee's accounting records to those amounts reported to the Division.
- c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget.
- d) The name of the account(s) must include the grant award number.

- f) Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills and canceled checks).

25. **Availability of Grant Funds.** The State of Florida's performance and obligation to pay grant funds under any Agreement are contingent upon an annual appropriation by the Florida Legislature and upon an annual appropriation of the U.S. Congress. In the event that the state or federal funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated, and the Division shall have no further liability to the Subgrantee beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Subgrantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

26. **Excluded or Disqualified.** The Subgrantee certifies that to the best of the Subgrantee's knowledge and belief the Subgrantee and its principals:

other agents who engage in trafficking in persons, the procurement of a commercial sex act, the use of forced labor, or acts that directly support or advance trafficking in persons. Noncompliance with the above can result in termination of this grant agreement per 22 USC § 7104(g), incorporated by reference <https://www.govinfo.gov/content/pkg/USCODE-2022-title22/pdf/USCODE-2022-title22-chap78-sec7104.pdf> (as of January 2023).

32. **Copyright and License.** When publications, films or similar materials are developed, directly or indirectly, from a program, project or activity supported with grant funds, Subgrantee (and any of its subcontractors, if applicable) shall grant the Department of State an irrevocable, royalty-free, non-transferable, non-exclusive right and license to reproduce or otherwise use, to make derivative works from, and to display and distribute any copyrighted material developed under this Agreement for any state governmental purpose. **Estimated Project Budget from the Submitted Application**

**I. Budget** Page 9 of 11

Provide details on the proposed expenditures of all project funds (grant and matching). The budget explains and justifies the LSTA and matching funds required to implement the project. It should be clearly related to project activities. Each section of the budget is comprised of two required parts: the budget narrative and budget detail.

For each amount listed in the budget detail, the narrative provides a detailed explanation and justification of proposed LSTA and matching expenditures. The budget narrative should show how the amounts in the budget detail were calculated, for both grant and matching funds (if applicable). In the narrative, include calculations, unit costs or breakdown of costs.

Local matching funds are local funds used for match excluding any federal grant funds. Matching funds must be at least one third of the total grant. Match does not need to be a line item or section match; it is an overall total amount of matching funds. If a project requests less than \$10,000 (\$0-\$9,999) in grant funds, is a statewide project or the applicant organization qualifies for REDI/RAO no matching funds are required. All other projects must provide local matching funds that equal a minimum of one-third (1/3) of the amount of federal funds requested or awarded.

The Division will use the information provided in this application when developing the Scope of Work and Deliverables. The Scope of Work and Deliverables will be for use in the grant agreements of the approved projects.

**1. Salaries and Benefits**

Show combined salaries, wages, and fringe benefits paid to staff directly contributing to the project, or who will be used as match for the project on a separate line. The narrative should indicate what the benefits percentage is for the salaries. Fees and expenses for consultants should be included under the Contractual Services section.

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the grantee agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the grantee is appropriate, the grantee agrees to comply with any additional instructions provided by Department of State staff to the grantee regarding such audit. The grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

#### AUDITS

3. A grantee that expends less than \$1,000,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements.
