## COOPER CITY UTILITIES DEPARTMENT MEMORANDUM

---

DATE: May 3, 2019

TO: Kathryn Sims, Interim City Manager

FROM: Michael F. Bailey, P.E., Utilities Director/City Engineer

SUBJECT: Award of Contract – Geographical Information System Technical Services

---

This is a recommendation for Commission approval of a contract with Florida Technical Consultants, LLC (FTC) to update, maintain and improve the City's Geographical Information System (GIS).

In late 2014, the Utilities Department started the process of converting its records of the water, sewer, and storm drain facilities from paper and CAD-based files to a GIS format. Storing the City's utility infrastructure records via a GIS provides tremendous advantages over paper or CAD records including protection from loss or destruction, consolidation of information in one place, easier access to records, and much greater analytical functionality. It also facilitates the development of a computerized asset management system in the future, in order to better manage the City's assets and infrastructure.

Maintenance, update and improvement of the GIS requires specialized technical expertise that the City does not possess in-house, so these services are contracted. To that end, a Request for Proposals (RFP 2019-2-UTL) was issued on March 21, 2019, and four proposals were received on April 18, 2019. The four proposals were evaluated by a committee consisting of myself, Assistant Utilities Director Jim Molaschi, and Utilities Field Operations Supervisor Chad Bergeron, and the proposal submitted by FTC earned the highest scores. The City has used FTC in the past and they have produced very satisfactory results.

Copies of the RFP, FTC's proposal and pricing sheet, RFP tabulation, evaluation committee ranking, and the proposed contract are attached.

I recommend Commission approval of a three-year contract, with the option to extend for up to one additional two-year period, with Florida Technical Consultants, LLC for geographical information system technical services in an amount not to exceed the limits of the approved budget for these services. Funds are available in the Water & Sewer Fund and budgeted for this purpose.

## SECTION VI - CONSIDERATION FOR AWARD / AWARD PROCEDURES

### 6.1 EVALUATION COMMITTEE

Proposals submitted will be evaluated by a three-member committee. The “Evaluation Committee” shall be selected by the City of Cooper City.

### 6.2 REVIEW OF PROPOSALS

The Evaluation Committee will use a points formula during the review process to score proposals. Each member of the Evaluation Committee will first score each technical proposal by each of the criteria described in Section 6.3 below. The full Evaluation Committee will then convene to review and discuss these evaluations and to combine the individual scores to arrive at a composite technical score for each firm. At this point, firms with an unacceptably low technical score will be eliminated from further consideration.

After the composite technical score for each firm has been established the sealed dollar cost proposal will be opened and additional points will be added to the technical score based on the proposed price. The maximum score for price will be assigned to the firm offering the lowest total all-inclusive maximum price. Appropriate fractional costs will be assigned to other Proposers. The Evaluation Committee will rank the firms and provide said ranking to the City Manager. Sealed dollar proposals will not be opened until the appropriate time.

The City of Cooper City reserves the right to retain all proposals submitted and use any idea in the proposal regardless of whether that proposal is selected.

### 6.3 EVALUATION CRITERIA

Proposals will be evaluated using three sets of criteria. Contractors meeting mandatory criteria will have their proposals evaluated and scored for technical qualification and/or price.

Item	Points
Understanding of the project and what is needed by the City as presented in the Letter of Transmittal (Tab 2) and the Proposal Form (Tab 1).	30
Reference forms describing experience, qualifications and past performance, including persons proposed for the project, facilities, equipment, and resources (Tab 3); and the Attachments (Tab 5).	40
Cost	30
<b>TOTAL POSSIBLE POINTS:</b>	<b>100</b>

Evaluation of proposals will be conducted by an evaluation committee of qualified City Staff, or other qualified persons selected by the City. It may be a two-step process. In step one the committee will evaluate all responsive proposals based upon the information and references contained in the proposals as submitted. The committee will score and rank all responsive proposals and determine a minimum of three (3), if more than three (3) proposals are responsive, to be finalists for further consideration. In the event there are less than three (3) responsive proposals, the committee will give further consideration to all responsive proposals received. If necessary, the Committee will conduct discussions, for clarification purposes only, with the finalists and re-score and re-rank the finalists' proposals. The committee will then make a recommendation to the City Commission for award.

Proposers or Finalists may be required to provide an oral presentation by appearing before the Evaluation Committee or by conference telephone call for clarification purposes only.

The City may require visits to customer installations or demonstrations of product by proposers as part of the evaluation process.

The City may require additional information and Proposers shall agree to furnish such information. The City reserves the right to award the contract to that Proposer who will best serve the interest of the City. The City reserves the right, based upon its

deliberations and in its opinion, to accept or reject any or all proposals. The City also reserves the right to waive minor irregularities or variations to the specifications and in the bidding process.

The City uses a mathematical formula for determining allocation of cost points to each responsive, responsible Proposer. The lowest, responsive, responsible Proposer receives the maximum allowable points. When using this formula, a Proposer that submits a cost or fee which is two times greater than the cost/fee of the lowest responsive, responsible Proposer, will result in receiving zero points for cost.

**NOTE REGARDING PRICE:** The firm providing the lowest cost to the City shall receive the maximum number of Cost Proposal points. Points shall be awarded to other proposers in the following manner:

Second Lowest Proposer:

Second lowest cost – lowest cost = X

X divided by lowest cost = Y

Y times the total number of cost points = Z

Total number of cost points – Z = points assigned to 2<sup>nd</sup> Lowest

Example:

Lowest cost = \$1,000

Second lowest cost = \$1,250

1250 – 1000 = 250

250 / 1000 = .25

.25 x 15 (max of 15 points, in this example) = 3.75

15 – 3.75 = 11.25 points to 2<sup>nd</sup> lowest proposer

#### **6.4 FINAL SELECTION**

The City Commission of the City of Cooper City will select a firm based upon the recommendation of the Evaluation Committee and the City Manager.

#### **6.5 RIGHT TO REJECT PROPOSALS**

Submission of a proposal indicates acceptance by the firm of the conditions contained in the request for proposals unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the City of Cooper City and the firm selected. The City of Cooper City reserves the right without prejudice to reject any or all proposals.

**REQUEST FOR PROOF OF  
WORKERS COMPENSATION INSURANCE OR EXEMPTION**

Dear Provider of Services or Goods:

In order to provide services or goods to City of Cooper City, we require that you provide us either proof of workers' compensation coverage or proof of exemption.

Workers compensation insurance is required of all employers in Florida that employ 4 or more part or full time employees. In the event that you are an employer in the construction industry, you are required to have workers' compensation insurance if you employ one or more workers. Corporate officers and sole proprietors are included when calculating the number of employees. Note: Corporate officers may claim exemption from workers' compensation coverage on themselves only, by filing *Form DWC 250, Notice of Election to Be Exempt*. This form can be found at <http://fldfs.com/WC/forms.html>.

If you meet the above criteria to be exempt, you MUST provide us with one of the following:

- If your business is a sole proprietorship or unincorporated business: provide us a Verification of Automatic Exempt Certificate. This verification is a letter that is issued by the State of Florida Department of Financial Services. To receive a letter from the State, complete the following directions: 1) Call the National Council of Compensation Insurance 1-800-622-4123, Option 5, and ask them for the class code for your type of business. 2) Once you have received this code, call the Department of Financial Services at 1-850-413-1601 and provide them your business name, class code, mailing address, and contact phone number. They will send you the Verification of Automatic Exempt Certificate. 3) Provide us a copy of the Verification of Automatic Exempt Certificate.
- If your business is a corporation (including a professional association or limited liability company), and you are not required to have workers' compensation insurance as per the requirements as outlined above, you must complete the attached Workers Compensation Exemption Affidavit, have it notarized, and return the original to us.

If you are an employer that meets the requirements of workers compensation and needs to obtain coverage, contact your current business insurance agent, or you may use the following resources to locate an agent: [www.fuia.com](http://www.fuia.com), [www.piafl.org/wc-info.pdf](http://www.piafl.org/wc-info.pdf), or call (850) 893-8245.

Please be reminded that the furnishing of this information to City of Cooper City is a non-negotiable requirement to perform services for us. Failure to provide this timely may result in either termination of your services or delay of payment for services. Your workers compensation Certificate of Coverage, Workers Compensation Exemption Affidavit, or Verification of Automatic Exempt Certificate must be delivered or mailed to the Purchasing Department located at City Hall, 9090 SW 50 Place, Cooper City, Florida 33328, or emailed to [Purchasing@CooperCityFL.org](mailto:Purchasing@CooperCityFL.org).
