Sorry one more thing. Do you need a template for the proclamation language? Not sure if I previously sent it to you.

I can request the proclamation be delayed until April, it should not be an issue.
As far as the logo, I will request that also. Normally we cannot share it, although this is a unique opportunity
Will keep you updated

Good morning,
Awesome, John, yes, we will have to coordinate, as I would like to have

college leaders present and the college president if her schedule permits. We have Spring Break next month so we will also have to work around that for planning. If we must set it for the following month, that is also an option, right? Let me know, I am very excited that it is approved. One other thing, can you share the town logo with me in jpeg form please.

Have a great day!

Best,

Susan

We approved the proclamation tonight; it should be on the agenda next month. I will let you know exactly when.
