## **Summary Explanation/Background:**

The Town Code was last reviewed and re-written in 2005 and the Town Commission approved adoption of the updated Town Code in 2006. Despite the ongoing update of some sections of the Code resulting from the adoption since 2006 of individual stand-alone Ordinances, staff believes it is time that the entire Town Code be reviewed and overhauled. The first step in this process is the legal review of the Town Code which is the subject of the attached quote from CivicPlus.

The purpose of this agenda item is to request approval by the Commission of the expenditure of funds for the Town Code Re-write / Overhaul project.

## **Recommended Motion:**

I move to approve the Town Code Re-write / Overhaul Project quote from Civic Plus for \$13,928.00.
