Project Background

ROBERTO TRAVIESO, DIRECTOR OF PUBLIC WORKS

Project Location on Park Avenue

Project Location on 10th Street

Goals of the Community Redevelopment Agency (CRA)

“...to strengthen the Lake Park community and its residents, add vitality to its commercial corridors, reinvigorate its aging structures, and personify the strong sense of pride in this historic community.”

CRA Master Plan

Project Background

- The CRA is committed to presenting a vibrant and inviting look and feel within its boundaries
- **Fall 2021:** Contracted with Landscape Architectural Firm, JMorton, to develop conceptual design options for the project
- **January 2022:** Hosted 1st Stakeholder's Meeting
- **March 2022:** Presented results from Stakeholder's Meeting during meeting of the CRA; approved proposal to design project

Results from 1st Stakeholder's Meeting

IMPLEMENT HARDSCAPE IMPROVEMENTS?

Park Avenue & 10th Street Landscape Improvements

IMPLEMENT LANDSCAPE IMPROVEMENTS?

Public Comments

- Paver sidewalks create a big expense
- The intersection of Park Ave and 10th Street needs special attention
- Prefer native plants in common areas
- Use sponsorship from businesses/residences for trees
- Include sustainable plantings
- Will there be any public art?
- Trees are preferred over palms, art
- Add cycling markings or bike lanes
- Landscape should include art and sculptures
- Concerned with the length of project; implement quickly
