Summary Explanation/Background:

Article 10 of the P3 Comprehensive Agreement, which was approved by the Commission on August 2, 2023, provides that the Developer shall submit quarterly to the Town an updated timeline accurately reflecting progress achieved and any anticipated changes in the Critical Path.

The purpose of this workshop is to provide to the Town a public progress report to show where we were as exhibited in the Master Critical Path dated "9.11.2024", what we've done as exhibited in the Annotated Exhibit B to the P3 Comprehensive Agreement, and where we are going as exhibited in the updated Master Critical Path (dated "2.21.2024").

This workshop will be the third of regular quarterly updates on the P3 Marina Development Project for the Lake Park Harbor Marina to be provided to the Town Commission by Lawrence Zabik President of Zabik and Associates.
