**Summary Explanation/Background:**

In light of recent discussions and Commission direction pursuant to the resiliency ordinance and zoning/density changes for the US-1 corridor/Waterfront area (that still requires public discussion), this item serves to select a workshop date in October 2024. Some Saturday options are: October 5, 12, or 19 at 10am. Once a selection is made, notifications will be programmed and sent electronically so that stakeholders are aware of the selected date. Direct mail will also be sent two weeks in advance of the selected workshop date.

**Recommended Motion:** I move to select \_\_\_\_\_ (date) for the workshop.
