Dear Name,

Did you know that the Town of Lake Park is about to celebrate its 100th anniversary? Originally known as Kelsey City, our amazing town was incorporated as a municipality on November 16, 1923. We are excited to be a part of the Centennial Celebration Committee that will be creating and hosting a series of events throughout 2023 to mark this momentous occasion, and would like to invite you to join us by participating in an event that will highlight Lake Park's uniqueness.

On Saturday, March 26, we will host a *Historical Homes Tour and Birthday Celebration* in honor of the Town's founder, Mr. Harry Kelsey. Participants will have the option to board one of two old-fashioned trolleys, bike or walk as we tour select historical homes and tropical gardens in Lake Park. As the owner of one of these notable residences, we invite you to become an important part of the Town's Centennial Celebration by agreeing to allow the tour to stop at your house. Visitors will only view the outside while they listen to the tour guides provide a brief history of each home and garden. We also hope that you will consider participating in the tour to learn about other historical residences in the community.

If you would like to include your address as part of the tour, please fill out the enclosed **Historical Homes Tour Participant Form** and return it to the Special Events Department by February 1, 2023. We would love to include your home as part of this once-in-a-lifetime celebration.

If you have any questions or concerns please feel free to contact the Special Events Department at 561-840-0160 or specialevents@lakeparkflorida.gov.

Warmest Regards,

Centennial Celebration Committee
