Please initial one:
DB Yes, I have notified everyone
Not applicable in this case

Summary Explanation/Background:

The Public Works Department continues to methodically work to repair aging, damaged and/or compromised stormwater infrastructure at various locations across the Town.

This agenda item is seeking approval to spend up to **\$162,460.00** of budgeted repair and maintenance funding to complete urgent repairs at the following location:

Location 1: 311 9th Street.

Scope of Work: perform open-cut excavation to remove 336' of 24" High-Density Polyethylene (HDPE) exfiltration system and install a new 24" Reinforced Concrete Pipe (RCP) exfiltration system.

Furthermore, Town staff solicited price proposals from Shenandoah General Construction, LLC. (Contractor), per the terms and conditions of the Town's cooperative purchase agreement with the Contractor, which the Town Commission executed through Resolution 96-12-23 in November 2023.

The Town Manager recommends approval.

Recommended Motion:

I move to direct and authorize the Town Manager to approve a work authorization for Shenandoah General Construction, LLC, to perform stormwater infrastructure repairs at the 311 9th Street.
