Thank you Barbara. We would like those funds placed in the 2023/2024 budget for this project just in case we are, once again, told that the project would cost more than budgeted. Thank you.

Sincerely,

Vivian

The MCCI Purchase Order for FY22-23 was issued for \$13,491.70. That was a combination of funds unspent on the original PO and the funds allocated in the FY22-23 budget.

The invoices received to date for FY22-23 scanning services totaled to \$11,226.96.

That would leave a balance of \$2,264.74 unspent. If there are no additional invoices for FY 22-23, you could request these funds be brought forward into FY 23-24.

Thank you

Sincerely,

Barbara A. Gould Assistant Finance Director

Good morning Bryan,

I hope you are well.

As you may be aware October 1st began a new fiscal year. Therefore, it is not as simple as signing a change order. A new purchase order is being issued and is currently going through the review process. I will be out of the office next week. Once the purchase order has been issued you will receive an email with a copy of the new purchase order. I will follow up on the status of the purchase order upon my return to the office.

If you have any questions please reply to everyone in this email so that an answer can be provided during my absence.

Thank you.

Sincerely,

Vivian Mendez, MMC

Subject: RE: grant funds not spent

Hi Barbara,

Per our conversation today there is only one item that we paid for in August 2023. Unfortunately, we may have coded it under 700-52000 and not against the grant money. If you need anything else just let me know. It was paid with the Bank of America Card And this charge appears on the July 16 – August 15, 2023.

PS: see comments below in regards to the other grants.
