benches, concession stands, and scoreboard.	
Would love to see any type of improvement	
It would be nice to have seating, a scoreboard for games, and concession options. Shaded picnic/raiting areas would be appreciated especially during games or being at the park with kids.	
Bert Bostrum park would be a great place for soccer fields.	
Please, when asking the question "do you support a community center at Bert Bostrum Park", give at least a cost estimate that residents would be agreeing to if they said they will support a community center.	
A community center is a tremendous never ending expense for the taxpayers. It serves a small percentage of residents and often non residents.	
We share a fence with Bert Bostrum. We'd like to see adequate lighting and guidelines put in place to make
