INTRODUCTORY SECTION

Finance
Department

December 2, 2024
The Honorable Mayor,
Members of the Town Commission and Citizens
Town of Lake Park, Florida

The Annual Comprehensive Financial Report (ACFR) of the Town of Lake Park, Florida, (the "Town") for the fiscal year ended September 30, 2023, is hereby submitted. Florida law and the Rules of the Auditor General for the State of Florida require every municipality to complete a set of audited financial statements annually within nine (9) months of the close of the fiscal year. This report is published to fulfill that requirement for the year ended September 30, 2023.

This report consists of management's representation concerning the finances of the Town of Lake Park. Consequently, management assumes full responsibility for the completeness and reliability of the information presented in this report. To provide a reasonable basis for making these representations, management of the Town of Lake Park has established a comprehensive internal control framework that is designed both to protect the Town assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Town of Lake Park's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Town of Lake Park's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Town of Lake Park's financial statements have been audited by Marcum LLP, certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Town of Lake Park for the fiscal year ended September 30, 2023, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in financial statements; assess the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unqualified opinion that the Town of Lake Park's financial statements for the fiscal year ended September 30, 2023, are fairly presented in conformity with GAAP. The independent auditor's report is located at the front of the Financial Section of this report on page 1.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditors' report and provides a narrative introduction,

535 Park Avenue
Lake Park, FL 33403
Phone: (561) 881-3350
Fax: (561) 881-3358

www.lakeparkflorida.gov

overview, and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it.

PROFILE OF THE TOWN

Originally incorporated in 1923 as Kelsey City, the city was renamed in 1939 to the Town of Lake Park. The Town of Lake Park is a political subdivision of the State of Florida with a population of 8,980 residents (U.S. Census Bureau, 2022 estimate), ideally located in the southeastern part of the State on the Atlantic Intracoastal Waterway. The Town is primarily residential but has several types of light industry, commercial and retail businesses and shopping centers.

The Town of Lake Park operates under a commission-manager form of government. Policymaking and legislative authority are vested in a governing commission consisting of the Mayor, Vice-Mayor and three Commissioners. The governing body is responsible for, among other things, passing ordinances, adopting the budget, appointing committees, and hiring both the Town Manager and Town Attorney. The Town Manager serves as the Chief Administrative Officer for the Town and is responsible for day-to-day operations, including the hiring, discipline, and firing of all Town employees.

In 2008, the Department of Justice of the United States filed a civil action against the Town alleging that the then current at-large method of electing the Commissioners for the Town, enhanced by the use of staggered terms and designated posts, resulted in black citizens of the Town having less opportunity than white citizens to participate in the political process and elect candidates of choice in violation of Section 2 of the Voting Rights Act of 1965. Subsequent to the end of Fiscal Year 2009, as a result of the Department of Justice Consent Decree with the Town, which requires that the Town change the manner in which candidates for Commission seats are elected by imposing a method known as "Limited Voting", an ordinance was adopted to amend the Charter to reflect this change. The seat of Mayor is elected in one election year and the four remaining commissioners are elected in the next election year, with no election occurring in the third year. The Mayor and Commission members are elected on a non-partisan basis. There are no term limits for elected officials.

The Town of Lake Park provides a full range of services, including building inspections, code enforcement, residential and commercial sanitation service, a public library, recreation and cultural events. Police and fire protection are contracted through Palm Beach County. Water and sewer service is provided through the Seacoast Utility Authority. The Town's financial statements also include the Lake Park Community Redevelopment Agency (CRA); a dependent special district established by the Town, under authority granted by Florida Statute 163, Section III.

The Town is financially accountable for the CRA which is included in the Town's financial statements as a blended component unit reported in a governmental (special revenue) fund, the CRA Fund. The Town is required by State law to adopt an annual budget for the general fund. The annual budget serves as the foundation for the Town's

financial planning and control. The budget is prepared by fund, function (e.g., public safety) and department (e.g., police). The Town Manager may transfer resources within a department or fund up to \$10,000. Budgetary transfers require the approval of the Town Commission for any of the following: transfers above \$10,000, transfers between funds, transfers from Unassigned Fund Balance, or transfers from the Town's Contingency Account.

LOCAL ECONOMY

The Town's economic growth, which had been stymied due to the national recession and collapse of the housing and real estate market, has been showing steady growth and is projected to have significant growth in the near future, especially in the CRA area. Property values increased dramatically throughout Palm Beach County and the Town of Lake Park between the years of 2002 through 2008. The taxable value of property within the Town decreased 6.3% in 2009, mainly due to the passage of Amendment One (Property Tax Reform), an additional 15.6% in 2010 due to the economic downturn, and values dropped an additional 18.3% in 2011, and 5.5% in 2012. The taxable value has recovered 3.90% in 2013, 7.1% in 2014, 9.1% in 2015, 10.1% in 2016, 8.6% in 2017, 6.14% in 2018, 8.6% in 2019, 7.3% in 2020, 5.79% in 2021, and 10.3% in 2022. In 2023, taxable values increased from prior year at an eleven year high of 11.3%. The relationship of commercial assessments compared to residential assessment has historically been around 50/50, but with the decline in the housing market, this relationship has shifted to approximately 53/47.

The Town is experiencing the buildout of some of the remaining vacant parcels but does not anticipate any significant changes in the type of development that will occur. It is anticipated that redevelopment and reuse of existing structures will eventually take place and that the Town will continue to diversify its tax base. The historical decline in both commercial and residential assessments appears to have been reversed.

The decrease in taxable values within the Town peaked at more than \$302 million, now stands at an increase and is expected to continue to increase over the next several years. A small increase in the millage was adopted for Fiscal Year 2013-2014 and the millage was held at the same rate for Fiscal Year's 2014-2015, 2015-2016, 2017- 2018, 2018-2019, 2019-2020, 2020-2021, and in 2021-2022. For fiscal year 2016 the Town adopted a MSTU for fire services during the year, thus the millage for the Fire Services was not included in the operating millage accounting for a decrease in revenue and expense of \$1,813,451. The operating millage rate was effectively held constant year-over-year through 2022-2023 at 5.3474 (8.8055 mills less the fire millage of 3.4581). In 2023-2024, the operating millage rate was reduced by 3.0% to 5.1870. While public safety is paramount to the citizens of the Town, the cost of police services represent 26.4% of the General Fund expenditures and essentially consume 72.6% of the ad valorem tax revenue. The operational cuts that were enacted across all departments, excluding public safety, to counter the loss of revenue will take years to reverse.

The Town continues to look for ways to provide essential services to the public in the most cost efficient, effective way without the health, safety and welfare of the community

being compromised. The use of one time sources of revenue for recurring expenditures is not an option given the modest level of reserves and the threat of hurricanes as annual possibility. Alternative sources of revenue and possibly increased fees will be explored for future budgets.

The Community Redevelopment Agency (CRA) purchased commercial property in 2008, located at 800 Park Avenue, which was refurbished and was used as an art studio and gallery for a period in 2010 and 2011. In 2012 the building was leased to The Artists of the Palm Beaches who are to provide free classes, have monthly exhibits, and use the building as the group's base of operations. Currently, the building is now operating as the Recreation Center for the Town of Lake Park. The building hosts various recreation programs including summer camp. Improvements have continued for the downtown alleyways; in 2012 completing the alleyway between 7th and 8th streets south of Park Avenue. There are several incentives included in the CRA Plan including façade improvement grants and limited business development loan programs that continue to be in place. These incentives may be utilized in the future to encourage development of the downtown business district located within the CRA boundaries.

ACCOUNTING AND BUDGETARY CONTROLS

The accounting and financial reporting of the Town's general government operations takes place in four broad categories: the General Fund, Special Revenue Funds, Debt Service Fund, and Insurance Internal Service Fund. The records and reports for these funds are maintained on the modified accrual basis, with revenue being recorded when measurable and available, and expenditures being recorded when the services or goods are received and the liabilities incurred. Accounting records for the Town's enterprise operations and pension trust funds are maintained on the accrual basis.

Management of the government is responsible for establishing and maintaining internal controls designed to ensure that the assets of the government are protected from loss, theft or misuse and to ensure that adequate accounting data are compiled to allow for the preparation of financial statements in conformity with accounting principles generally accepted in the United States (GAAP). The internal control is designed to provide reasonable, rather than absolute, assurance these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived, and (2) the evaluation of costs and benefits requires estimate and judgments by management.

As a recipient of federal, state and local awards, the Town is responsible for ensuring that adequate internal control is in place to ensure compliance with applicable laws and regulations related to those programs. This internal control is subject to periodic evaluation by management.

In addition, the government maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with the legal provisions embodied in the annual budget approved by the government's governing body. Activities of the General Fund, Community Redevelopment Agency, Debt Service Fund and proprietary funds are

included in the annual appropriated budget. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is established at the department level within the individual fund. The government also maintains an encumbrance accounting system as one technique of accomplishing budgetary control.

As demonstrated by the basic financial statements and schedules included in the financial section of the report, the government continues to meet its responsibility for sound financial management.

MAJOR INITIATIVES

The Lake Shore Drive improvement project was a major initiative for prior fiscal years, however during recent years, the Town has devoted a significant amount of time, energy and resources to the continuing growth and redevelopment of the Town. Some of the improvements embarked on, have been completed, or are in progress, include the use of the \$11,000,000 grant for water mitigation, the completion of the bioswale project on 2nd Street, refurbishment of Kelsey Park and tennis courts, refurbishment of the Ilex playground, completion of the Lake Park Drive playground, as well as numerous upgrades to historic Town Hall. Additional emphasis is being placed on the scheduling of community-wide special events and capital revitalization improvements, including sidewalks and pavement, and are being developed to improve the Town's function and aesthetics.

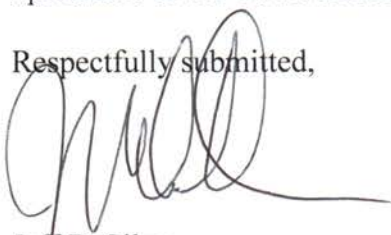

ACKNOWLEDGEMENTS

An annual comprehensive financial report of this type and depth, illustrating the results of operations of the entire Town and its various diversified funds and activities, could not have been prepared so completely without the dedication and efficiency of the Assistant Finance Director, along with the assistance of the entire Finance Department staff.

Their dedication and hard work is greatly appreciated. My appreciation is also extended to our independent auditors, Marcum LLP, for their cooperation and guidance.

Special appreciation is extended to the Mayor, Town Commission, Town Manager, and Department Heads for their interest and support in planning and conducting the financial operations of the Town in a responsible and progressive manner.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jeff DaSilva', with a long horizontal flourish extending to the right.

FINANCIAL SECTION

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and Town Commission
Town of Lake Park, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Lake Park, Florida (the "Town"), as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town, as of September 30, 2023, and the respective changes in financial position, and, where applicable, cash flows, thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5 through 15, the budgetary comparison schedules and the related note on pages 72 to 74, and the required supplementary information for the pensions and OPEB on pages 68 to 71, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental

Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The combining financial statements as listed in the table of contents, and the schedule of expenditures and federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) are presented for additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining fund financial statements and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 2, 2024, on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
(MD&A)

TOWN OF LAKE PARK, FLORIDA

MANAGEMENT’S DISCUSSION AND ANALYSIS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

The Town of Lake Park, Florida (the “Town”) administration offers readers of the Town’s financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended September 30, 2023. Readers are encouraged to consider the information presented here in conjunction with additional information that has been furnished in the transmittal letter and the accompanying basic financial statements.

The information contained within this Management’s Discussion and Analysis (MD&A) is only a component of the entire financial statement report. Readers should take time to read and evaluate all sections of the report, including the Notes to the Financial Statements and the Required Supplementary Information that is provided in addition to this MD&A.

Financial Highlights

Government-Wide Financial Statements

- The assets and deferred outflows of the Town exceeded its liabilities and deferred inflows at September 30, 2023 by \$25,172,774. Of this amount, unrestricted net position is \$3,137,252.
- The total net position increased by \$1,820,290 of which an increase of \$2,539,229 was attributed to governmental activities and a decrease of \$718,939 was related to business-type activities. The change in net position of the business-type and governmental activities of the Town was primarily attributable to an increase of commercial and residential development, along with rising costs for the operation of sanitation services.

Fund Financial Statements

- As of the close of the 2023 Fiscal Year, the Town’s General Fund reported ending fund balance of \$6,523,587 an increase of \$984,525 from the prior year. Of the total fund balance, \$4,026,446 is assigned, restricted or non-spendable, while \$2,497,141 is unassigned and available for future uses by the Town Commission, an increase of \$1,537,791 in unassigned fund balance.
- At the end of the 2023 Fiscal Year, the unassigned fund balance for the General Fund represented just 22.3% of total General Fund expenditures or approximately 30 days of available funding.

TOWN OF LAKE PARK, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

Using this Annual Report

This annual report consists of a series of financial statements. The three components of the financial statements are: (1) Government-wide financial statements that include the Statement of Net Position and the Statement of Activities. These statements provide information about the activities of the Town as a whole. (2) Fund financial statements tell how these services were financed in the short term, as well as what remains for future spending.

Fund financial statements also report the Town's operations in more detail than the government-wide statements by providing information about the Town's most significant funds. (3) Notes to the basic financial statements expand upon information reported in the government-wide and governmental fund statements.

Reporting the Town as a Whole

Statement of Net Position and the Statement of Activities (Government-Wide)

A frequently asked question regarding the Town's financial health is whether the year's activities contributed positively to the overall financial well-being. The Statement of Net Position and the Statement of Activities report information about the Town as a whole and about its activities in a way that helps answer this question. These statements include all assets, deferred outflows, liabilities and deferred inflows using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account, regardless of when cash is received or paid.

These two statements report the Town's net position and changes therein. Net position, assets and deferred outflows less liabilities and deferred inflows, are one way to measure the Town's financial health, or financial position. Over time, increases or decreases in net position are an indicator of whether the financial health is improving or deteriorating.

The Statement of Net Position and the Statement of Activities present information about the following:

- Governmental activities - All of the Town's basic services are considered to be governmental activities, including general government, community development, public safety, public services, library, and recreation. Property taxes, sales taxes, utility taxes, intergovernmental revenue and franchise fees finance most of these activities.
- Proprietary activities/Business-type activities - The Town charges a fee to customers to cover all or most of the cost of the services provided. The Town's Sanitation Fund, Stormwater Fund and Marina Fund are reported in this category.

TOWN OF LAKE PARK, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

Reporting the Town's Most Significant Funds

Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds - not the Town as a whole. Some funds are required to be established by State law. However, management establishes other funds, which aid in the management of money for particular purposes or meet legal responsibilities associated with the usage of certain taxes, grants, and other money. The Town's three kinds of funds, governmental, proprietary, and fiduciary, use different accounting approaches as explained below.

- Governmental funds - Most of the Town's basic services are reported in governmental funds. Governmental funds focus on how resources flow in and out, with the balances remaining at year-end that are available for spending. These funds are reported using an accounting method called the modified accrual accounting method, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services it provides. Governmental fund information shows whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. The basic governmental fund financial statements can be found on pages 16-27 of this report.
- Enterprise funds - The Town has three enterprise funds, Sanitation, Stormwater and Marina, which charge customers for the services they provide. These services are generally reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Position and the Statement of Activities. These funds are reported using the full accrual basis of accounting; revenues are recognized in the period earned and expenses are recognized in the period that liabilities are incurred. The basic proprietary fund financial statements can be found on pages 22-25 of this report.
- Fiduciary funds - Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statement because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds. The basic fiduciary fund financial statements can be found on pages 26-27 of this report.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 28-67 of this report.

TOWN OF LAKE PARK, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

Other Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the Town's progress in funding its obligation to provide pension benefits to its employees. Required supplementary information for pension benefits can be found on page 68-71 of this report.

The Town adopts annual appropriated budgets for the General Fund and CRA. Budgetary comparison schedules for the General Fund and CRA are included as Required Supplementary Information on pages 72-74 to demonstrate compliance with the budget.

The Town also adopts an annual budget for the Streets and Roads Fund and Insurance Fund. Budgetary comparison schedules for these funds are also included as Other Supplementary Information section of this report. The combining and individual fund statements and schedules are presented immediately following the required supplementary information on pages 75-76 of this report.

Government-Wide Financial Analysis

Net Position

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Town, governmental activity assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$17,725,405. Business-type activity assets exceeded liabilities and deferred inflows by \$7,447,369. The Town-wide total net position was \$25,172,774 at the close of the fiscal year ended September 30, 2023. The Statement of Net Position is on page 16 of this report.

The Town's net investment in capital assets (e.g., land, buildings, equipment and vehicles, less any related debt used to acquire those assets that is still outstanding) was \$18,492,351 or over 73% of total net position at September 30, 2023. Capital assets total \$24,459,520 at September 30, 2023, or 69% of all assets and deferred outflows, which total \$35,436,312. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the net position \$3,543,171 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position of \$3,137,252 may be used to meet the government's ongoing obligations to citizens and creditors. The following table reflects the condensed Summary of Net Position for the current year as compared to the prior year.

Total Net Position	\$ 17,725,405	\$ 15,186,176	\$ 7,447,369	\$ 8,166,308	\$ 25,172,774	\$ 23,352,484

Governmental Activities

Net position of the governmental activities of the Town have increased \$2,539,229 from 2022 due to increased tax and investment revenue offset by increased employee and public safety costs. Total assets and deferred outflows of governmental activities have increased by \$1,312,202 mainly due to vehicle fleet and road improvement additions and total liabilities and deferred inflows of resources have decreased by \$1,227,027 primarily from expending ARPA funds, thus reducing unearned revenues. Unrestricted net position increased by \$1,344,089.

Business-Type Activities

Net position for business-type activities have decreased \$718,939 from 2022 primarily due to reduced capital grant revenue offset by a reduction in Marina costs from a one-time payment for property purchase in 2022. Total assets decreased by \$6,667 while total liabilities and deferred inflows have increased by \$712,272. Unrestricted net position has decreased by \$869,363.

Overall total revenues are down by \$1,975,255. Program revenues decreased by \$3,652,401 and general revenues increased by \$1,677,146.

TOWN OF LAKE PARK, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

Governmental Activities

Revenue collections of taxes including property taxes, franchise fees, utility services taxes, fuel taxes and communication services taxes have increased \$1,428,557. This is due in large part to an increase in property taxes caused by new development and an increase in the property values in 2023.

Business-Type Activities

Total revenues for business-type activities of the Town have decreased by \$1,597,103. This is primarily the result of a decrease in Storm water revenues due to completion of projects related to grant funding for Lake Shore Drive improvements in 2022.

Overall, net position increased \$1,820,290. The increase in net position is primarily related to the increase in property values.

Governmental Activities

Changes in the expenses for 2023 in Public Safety is attributable to a decrease in the Sheriff's contract. The change in the General government is attributable to an average raise of just over 3% for all employees and filling vacant positions in several departments.

Business-Type Activities

The decreased expenses for the Marin Fund are directly related to a one-time \$2.4 million payment to Palm Beach County for a previous land purchase in 2022. The increase in the Sanitation Fund expenses is the result of increased contract expenses due to nonfunctioning vehicles.

Financial Analysis of the Governments' Funds

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental Funds

The focus of the Town's governmental fund financial statements is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unrestricted fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At September 30, 2023, the Town's primary operating fund, the General Fund, reported ending fund balance of \$6,523,587 an increase of \$984,525 from the prior year. Of this amount, \$2,497,141 is considered unassigned fund balance and is available for spending at the Town's discretion. However, it is recommended that these funds be maintained at this level in the event of an emergency such as a hurricane. However, \$478,442 is restricted for specific purposes such as the Community Improvement Beautification (CIB) Fund. The remainder of fund balance

TOWN OF LAKE PARK, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

\$3,353,381 is non-spendable to indicate that it is not available for new spending because it has already been committed (1) for inventories and prepaid expenses \$103,383 and (2) as advances to other funds, in particular to cover the cash deficit in the pooled cash of the Marina Fund \$3,250,000.

As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total General Fund expenditures. Unassigned fund balance represents approximately 38.3 percent of total General Fund expenditures, while total fund balance represents 58.2 percent of that same amount. A sound financial management policy would dictate that the unrestricted, unassigned fund balance be maintained between 10-25% of total expenditures. To that end, the budget for Fiscal Year 2024 has been constructed to maintain fund balance at the end of the year, absent significant revenue shortfalls. The General Fund will see increased revenues over the next several budget cycles and is expected to receive repayments from the Marina Fund.

Enterprise Funds

The Town's enterprise funds are accounted for on an accrual basis and may be measured year-over-year by the Change in Net Position, a measure of the difference that the year made in the Total Assets less the Total Liabilities.

The Marina Fund had a decrease in Net Position of \$281,360 resulting from operating expenses, including depreciation, exceeding operating revenues, bringing the fund's Total Net Position to \$(1,256,504).

The Marina's change in net position is primarily due to depreciation. The Marina is currently being considered for redevelopment which will increase the Marina's revenue. The Marina Fund's deficit is being covered by the General Fund through a do-to/due-from accounting function.

The Sanitation Fund has a decrease in Net Position of \$750,150, bringing the fund's Total Net Position for the fund to \$355,137. The decrease in net position is a result outsourcing garbage disposal services due to nonfunctioning sanitation vehicles.

The Stormwater Fund had an increase in Net Position of \$312,571, bringing the fund's Total Net Position for the fund to \$8,236,674. This increase is largely due to significant capital improvements which will continue for the next several years.

TOWN OF LAKE PARK, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

General Fund Budgetary Highlights

The annual General Fund budget is adopted after two public hearings and approval of the Town Commission. Any amendments that would exceed the original budget at the fund level or would require funds to be transferred from contingency would require a formal budget amendment requiring the adoption of a resolution by the Town Commission. The General Fund appropriation was increased from \$10,480,281 to \$11,552,824.

Capital Asset and Debt Administration

The Town's total investment in capital assets at September 30, 2023 was \$24,459,520 (net of accumulated depreciation). Capital assets include land, construction in progress, buildings, equipment and vehicles and infrastructure. The Town's net capital assets at September 30, 2023 and 2022 are summarized as follows:

	Capital Assets (Net of Depreciation)					
	Governmental Activities		Business-Type Activities		Total	
	2023	2022	2023	2022	2023	2022
Land	\$ 2,767,746	\$ 2,767,746	\$ 2,492,332	\$ 2,492,332	\$ 5,260,078	\$ 5,260,078

Leases (Right-of-use asset)	328,247	--	--	--	328,247	3,155,892
Streets, roads, and sidewalks Lease (right-of-use asset)	8,388,925	2,656,654	9,047,349	3,803,657	17,436,274	6,460,311
Total Capital Assets, net	\$ 15,564,208	\$ 9,569,758	\$13,923,110	\$13,507,997	\$29,487,318	\$26,233,647

Capital projects during Fiscal Year 2023 included the following:

- Roadway Improvements
- Town Hall Improvements
- Purchase of new sanitation vehicle
- Replacement and upgrades of a stormwater systems

Additional information on the Town's capital assets can be found in Note 6 of the Notes to Financial Statements.

TOWN OF LAKE PARK, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

Long-Term Debt

The Town incurred new debt during fiscal year 2023 for the purchase of sanitation trucks. The debt position of the Town is summarized as follows:

	Governmental Activities		Business-Type Activities		Total	
	2023	2022	2023	2022	2023	2022
Loans payable	\$ 769,721	\$1,105,682	\$3,436,439	\$3,165,472	\$4,206,160	\$4,271,154
Lease obligations	1,259,919	1,320,013	53,681	105,597	1,313,600	1,425,610
Other Post-Emp. Benefits	83,096	79,163	32,493	28,966	115,589	108,129
Net pension liability	245,780	333,034	--	--	245,780	333,034
Compensated absences	270,530	269,944	40,692	51,209	311,222	321,153
Lease (right-of-use asset)	378,425	--	--	--	378,425	--
Unamortized premium	--	--	66,840	73,524	66,840	73,524
Total	<u>\$3,007,471</u>	<u>\$3,107,836</u>	<u>\$3,630,145</u>	<u>\$3,424,768</u>	<u>\$6,637,616</u>	<u>\$6,532,604</u>

Additional information on the Town's debt can be found in Note 7 of the Notes to Financial Statements.

Economic Factors and Next Year's Budgets and Rates

For the fiscal year 2023-2024, the Town Commission adopted a General Fund budget of \$13,736,384, compared with the budget for the fiscal year 2022-2023 for \$11,552,824. The Town adopted a MSTU for fire services in 2015, thus the millage for the Fires Services is not included in the operating millage. The operating millage rate was reduced from 5.3474 to 5.1870 (8.6451 mills less fire millage of 3.34581).

The greatest impact on the General Fund expenditures is the contract with the Palm Beach County Sheriff for policing services, which represents 30% of the total and uses 73% of the Ad Valorem property tax revenue. In an effort to off-set some of the impact on the General Fund revenue constraints the Town continues to operate with many cuts implemented in prior years across all departments and must continue to limit capital and other projects.

Current general economic conditions are inflating the cost of goods and services as well as the Town's ability to attract and hire new employees. The recent inflationary pressure will require the Town to maintain fiscal controls on spending and project management. However, the Town will be able to engage in several large infrastructure expenditures due to the acquisition of several State and federal grants for various infrastructure improvements and the use of American Rescue Plan Act funds approved by the Federal Government.

TOWN OF LAKE PARK, FLORIDA

**RECONCILIATION OF THE BALANCE SHEET - GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION**

GOVERNMENTAL ACTIVITIES

SEPTEMBER 30, 2023

Fund Balances - Total Governmental Funds	<u>\$ 10,065,875</u>
---	-----------------------------

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds:

Governmental capital assets	\$ 24,751,880	
Less accumulated depreciation/amortization	<u>(14,215,470)</u>	10,536,410

Revenue is recognized when earned in the government-wide statements, regardless of when it is collected. Governmental funds report based on modified accrual, i.e., both measurable and available.

Current year revenues	28,462
-----------------------	--------

Long-term liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported in the governmental funds:

Accrued interest payable on long-term debt	(48,388)	
Compensated absences	(270,530)	
Total other post employment benefits liability	(83,096)	
Net pension liability	(245,780)	
Lease (right-of-use asset) acquired	(378,425)	
Lease obligations	(1,259,919)	
Loans payable	<u>(769,721)</u>	(3,055,859)

Deferred outflows and inflows of resources related to pensions are applicable to future periods and, therefore, are not reported in the governmental funds:

Pension related deferred outflows	59,860
-----------------------------------	--------

Internal service funds are used by management to charge costs of certain activities to individual funds. The assets and liabilities of internal service funds are included in governmental activities in the statement of net position.

	<u>90,657</u>
--	---------------

Net Position of Governmental Activities	<u>\$ 17,725,405</u>
--	-----------------------------

The accompanying notes are an integral part of these statements.

The accompanying notes are an integral part of these statements.

TOWN OF LAKE PARK, FLORIDA

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND
CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE
STATEMENT OF ACTIVITIES**

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

Net Change in Fund Balances - Total Governmental Funds \$ 1,576,152

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures.

However, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives

Expenditures for capital assets	\$ 1,677,336	
Less: current year depreciation and amortization	<u>(710,684)</u>	966,652

The repayment (issuance) of long-term debt consumes (provides) the current financial resources of governmental funds. However, these transactions do not have any effect on net position of the governmental activities.

Long term debt repayments and issuances:

Lease obligations	335,961	
Leases (Right-of-use assets) acquired	(393,897)	
Leases (Right-of-use assets) payments	15,472	
Loans payable	<u>60,094</u>	17,630

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.

Change in compensated absences	(586)	
Change in total other postemployment benefits liability	(3,933)	
Change in net pension liability and related deferred amounts	7,611	
Change in accrued interest	<u>(24,298)</u>	(21,206)

Internal service funds are used by management to charge costs of certain activities to individual funds. The net revenues of certain activities of the internal services funds are reported within governmental activities.

Change in Net Position of Governmental Activities \$ 2,539,229

The accompanying notes are an integral part of these statements.

NOTES TO BASIC FINANCIAL STATEMENTS

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Town of Lake Park, Florida (the “Town”) was incorporated in 1923. The Town’s Charter was approved by the Laws of Florida, Chapter 61-2375. The Town is governed by an elected Mayor and Town Commission which appoints a Town Manager. The Town provides the following services: public safety, recreation, sanitation, streets and roads, planning and zoning, and general administrative services.

The financial statements of the Town have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) as applied to governmental units. The Governmental Accounting Standards Board (“GASB”) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant accounting policies of the Town are described below:

FINANCIAL REPORTING ENTITY

Under governmental accounting and financial reporting standards, the Town’s reporting entity consists of the Town, organizations for which the Town is financially accountable, and other organizations for which the nature and significance of their relationship with the Town are such that exclusion would cause the Town’s financial statements to be misleading or incomplete. The Town is considered financially accountable if it appoints a voting majority of an organization’s governing body and is either able to impose its will on that organization, or has a financial benefit/burden relationship with the organization. The Town may also be financially accountable if an organization is fiscally dependent on the primary government and the two also have a financial benefit or burden relationship.

Component units are included in the reporting entity either as blended or as discretely presented. Blended component units, although legally separate entities, are, in substance, part of the Town’s operations. Accordingly, data from these component units are combined with data of the primary government. The Town has met the criteria as having the operational and financial responsibilities as noted above for the blended component unit listed below and this entity has been included in the Town’s financial reporting entity.

The Lake Park Community Redevelopment Agency (the “CRA”) is a dependent special district established by the Town of Lake Park, Florida, under authority granted by Florida Statute 163, Section III. The CRA is included in the Town’s financial reporting entity as a blended component unit reported as a governmental (special revenue) fund, the Community Redevelopment Fund. The CRA is a legally separate entity and the governing body of the CRA consists of the Town Commission plus two other members appointed by the Town Commission and the Town handles the management and administration of the CRA’s financial matters. Separate financial statements for the CRA are prepared.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the Town. For the most part, the effect of interfund activity has been removed from these statements with the exception of interfund services provided and used which are not eliminated.

Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and the major enterprise fund are reported as separate columns in the fund financial statements. All remaining nonmajor governmental funds are aggregated and reported as nonmajor governmental funds.

MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION (CONTINUED)

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Town considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, franchise fees and other taxes, licenses, rent, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Revenues for expenditure driven grants are recognized when the qualifying expenditures are incurred. All other revenue items are considered to be measurable and available only when cash is received by the Town.

The Town reports the following major governmental funds:

The General Fund is the primary operating fund and is used to account for all financial resources applicable to the general operations of the Town except those required to be accounted for in another fund.

The CRA fund is a special revenue fund and is used to account for all financial resources applicable to the promotion of the physical and economic development of certain areas in the Town of Lake Park and is funded from incremental tax revenues within the designated CRA area.

The ARPA Grant Fund is a special revenue fund used to account for the grant revenues received.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION (CONTINUED)

The Town reports the following major proprietary funds:

The *Marina Fund* accounts for the operations of the Town's municipal marina, which are financed primarily by user charges.

The *Sanitation Fund* accounts for the operations of the Town's garbage and trash collection services, which are financed primarily by user charges.

The *Stormwater Utility Fund* is used to account for the charges and related expenses for the Town's stormwater drainage system.

The Town reports the following non-major funds:

The *Special Revenue* fund is used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The Town has three non-major special revenue funds: the Streets and Roads Fund, Public Improvement Fund and Special Projects Fund.

This *Debt Service Fund* is used to account for resources accumulated and payments made for principal and interest of the Town's general obligation bonds which are payable from ad valorem taxes.

The *Public Improvement Fund* is a special revenue fund used to account for revenues received restricted for public improvements.

The *Special Projects Fund* is a special revenue fund used to account for construction and renovation projects.

The *Capital Projects Bond Fund* is used to account for construction and renovation projects funded with debt proceeds.

Internal service funds account for operations that provide services to other departments on a cost reimbursement basis. The Insurance Fund accounts for the Town's general liability and workers' compensation insurance plans.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION (CONTINUED)

Fiduciary funds are used to account for assets held on behalf of outside parties, including other governments, or on behalf of other funds within the government; pension trust funds are held under the terms of a formal trust agreement. The fiduciary fund of the Town includes:

Retired Police Officers' Pension Fund

This fund was established in 2004 to receive and invest Town contributions in a defined benefit pension plan and to disburse these monies to Police retirees in accordance with the Pension Plan Ordinance.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the government's enterprise funds and various other functions of the Town. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as *program revenues* include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Town's marina and sanitation enterprise funds are charges to customers for sales and services. Operating expenses for the enterprise funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION

Deposits and Investments

The Town's cash represents cash deposits. The Town's investment in Florida PRIME (external investment pool) is recorded at amortized cost. All other investments are reported at fair value.

The nature of investments of the Town are governed by the provisions of Florida Statutes Section 218.415 Under this statute, authorized investments are limited, unless otherwise authorized by law or resolution/ordinance.

Investments in the Retired Police Officers' Pension Fund is governed by its respective investment policy and Florida Statutes Section 112.661.

Accounts Receivable

Accounts receivable represent amounts due from local businesses for franchise taxes, utility taxes, delinquent property taxes and other charges in the General Fund, and solid waste disposal fees and marina slip rentals in the Enterprise Funds. The Town does not require collateral for accounts receivable. Accounts receivable are net of allowances for uncollectible accounts determined based on the age of the individual receivable, with age categories ranging from 30 days past due to several years past due. Generally, the allowance includes accounts over 90 days past due. Accounts receivables are written off on an individual basis in the year the Town deems them uncollectible.

Lease Receivables

The Town's lease receivable is measured at the present value of lease payments expected to be received during the lease term. A deferred inflow of resources is recorded for the lease. The deferred inflow of resources is recorded at the initiation of the lease in an amount equal to the initial recording of the lease receivable. The deferred inflow of resources is amortized on a straight-line basis over the term of the lease.

Interfund Transactions

Activity between funds that is representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans). All other outstanding balances between funds are reported as "advance to/advance from other funds".

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION (CONTINUED)

Interfund Transactions (continued)

Any residual balance outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as internal balances.

Transfers and interfund balances totally within governmental activities and those that are totally within business-type activities are eliminated and not presented in the government wide financial statements. Transfers and balances between governmental and business-type activities are presented in the government-wide financial statements.

Inventories

Inventories are valued at cost determined on a first-in, first-out basis. Inventories in the General Fund consist of expendable supplies held for consumption. Inventories in the Marina Fund consist of goods for sale to the public. The initial cost is recorded as an asset at the time the individual inventory items are purchased and are charged against operations in the period when used.

Prepaid Items/Expenses

Prepays represent goods and services which are paid for in one period, but benefit a future period. Prepays are recorded as an expenditure/expense in the fund level and government-wide financial statements in the period benefited. Prepays for governmental fund types are reported as an asset of the fund with a corresponding amount recorded as non-spendable fund balance.

Capital Assets

Capital assets, which include property, plant, infrastructure, and equipment, are reported in the applicable governmental or business-type activities column in the government-wide financial statements. The Town defines capital assets as assets with an initial individual cost of \$5,000 or more and an estimated life in excess of one year. In accordance with GASB Statement No. 34, the Town has elected not to record infrastructure assets purchased prior to October 1, 2003 in the accompanying financial statements.

The accounting and reporting treatment applied to the capital assets associated with a fund are determined by its measurement focus. General capital assets are assets of the Town as a whole. When purchased, such assets are recorded as expenditures in the governmental funds and capitalized as assets in the government-wide statement of net position. General capital assets are carried at historical cost. Where cost cannot be determined from the available records, estimated historical cost has been used to record the estimated value of the assets.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION (CONTINUED)

Capital Assets (continued)

Assets acquired by gifts or bequests are recorded at their fair value at the date of acquisition.

Capital assets of the enterprise funds are capitalized in the fund. The valuation basis for enterprise fund capital assets is the same as those used for general capital assets. Additions, improvements, and other capital outlay that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

Capital assets of the Town are depreciated using the straight-line method over the following estimated useful lives:

Buildings and infrastructure	20-50 years
Building improvements	7-50 years
Equipment and vehicles	5-15 years
Docks and channels	20 years
Leases (right-to-use assets)	Through lease maturity

Deferred Outflows and Inflows of Resources

The statement of net position includes a separate section for deferred outflows of resources. This represents the consumption of net assets applicable to future periods and will not be recognized as expenditures until the future period to which it applies. Currently, the Town has deferred outflows related to pensions.

The statement of net position also includes a separate section, listed below total liabilities, for deferred inflows of resources. This represents the acquisition of net assets applicable to future periods and will not be recognized as revenue until the future period to which it applies. The Town also has lease related deferred inflows, which are discussed in Note 7 and deferred gain on bond refunding.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION (CONTINUED)

Leases (Right-to-use Assets)

The leases (right-to-use assets) are initially measured at an amount equal to the initial measurement of the related lease liability plus any lease payments made prior to the lease term, less lease incentives, and plus ancillary charges necessary to place the lease into service. The leases (right-to-use assets) are amortized on a straight-line basis over the life of the related lease.

Compensated Absences

Unused compensated absences are payable upon separation from service. Vacation is accrued as a liability when the employee earns benefits. This means that the employee has rendered services that give rise to a vacation liability and it is probable that the Town will compensate the employee in some manner, e.g., in cash or paid time-off, now or upon termination or retirement. The Town uses the vesting method in accruing sick leave liability. Under the vesting method, the liability for vacation leave is accrued for employees who are eligible to receive termination payments upon separation. The Town's policy is to allow employees to accumulate vacation leave to a maximum of 480 hours. At the time of retirement or termination all vacation leave up to a maximum of 240 hours is payable at 100% to the employee. Except for liabilities incurred by employment terminations, such benefits are paid only when taken.

Compensated absences are accrued when incurred in the government-wide and proprietary financial statements. Benefits that were earned but not used during the current year were accrued at employees' pay rates in effect at September 30, 2023. A liability for these amounts is reported in the governmental funds only if they have matured, for example, as a result of employee resignations or retirements. For the governmental funds, compensated absences are liquidated by the General Fund.

The amount attributable to the business-type activities is charged to expense with a corresponding liability established in the government-wide financial statements as well as the Enterprise Fund.

Unearned Revenue

The Town reports unearned revenue on its statements of net position and governmental funds balance sheet. Unearned revenue arises when resources are obtained prior to revenue recognition. In subsequent periods, when revenue recognition criteria are met the unearned revenue is removed and revenue is recognized.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION (CONTINUED)

Long-Term Obligations

In the government-wide financial statements, and proprietary fund types fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Unamortized bond premiums are presented as an addition to bonds payable.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources, while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Net Position

Net position of the government-wide and proprietary funds is categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets is that portion of net position that relates to the Town's capital assets reduced by accumulated depreciation, deferred outflows or inflows related to debt, retainage payable and by any outstanding debt incurred to acquire, construct or improve those assets, excluding unspent proceeds.

Restricted net position is that portion of net position that has been restricted for general use by external parties (creditors, grantors, contributors, or laws or regulations of other governments) or imposed by law through constitutional provisions or enabling legislation. Unrestricted net position consists of net position that does not meet the definition of either of the other two components.

Net Position Flow Assumption

Sometimes the Town will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted - net position and unrestricted - net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted - net position to have been depleted before unrestricted - net position is applied.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION (CONTINUED)

Fund Balance Flow Assumptions

Sometimes the Town will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Fund Balance Policies

The Town's accounting and finance policies are used to interpret the nature and/or requirements of the funds and their corresponding assignment of restricted, committed, assigned, or unassigned.

The Town reports the following classifications:

Non-spendable fund balance. Non-spendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted fund balance. Restricted fund balances are amounts that can be spent only for specific purposes stipulated by (a) external resource providers such as creditors (by debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance. These amounts can only be used for the specific purposes pursuant to constraints imposed by a formal action of the government's highest level of decision-making authority. The Town Commission is the highest level of decision-making authority for the government that can, by adoption of a resolution or an ordinance (equally binding), commit fund balance. Once adopted, the limitation remains in place until the Town Commission removes or revises the limitation by taking the same type of action (the adoption of another resolution or ordinance). This classification also includes contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION (CONTINUED)

Fund Balance Policies (Continued)

Assigned fund balance. This classification reflects the amounts constrained by the Town's "intent" to be used for specific purposes, but are neither restricted nor committed. The Town's policy is that the Town Commission and the Mayor have the authority to assign amounts to be used for specific purposes. Assigned fund balances include all remaining amounts (except negative balances) that are reported in governmental funds, other than the General Fund, that are not classified as non-spendable and are neither restricted nor committed.

Unassigned fund balance. This fund balance is the residual classification for the General Fund. It is also used to report negative fund balances in other governmental funds.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets and deferred outflows of resources, liabilities and deferred inflows of resources, disclosures of contingent liabilities, revenues and expenditures/expenses reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

New Accounting Pronouncements Adopted

GASB Statement No. 91, *Conduit Debt Obligations*, provides a single method of reporting conduit debt obligations by issuers and eliminates diversity in practice associated with 1) commitments extended by issuers, 2) arrangements associated with conduit debt obligations, and 3) related note disclosures. This Statement was implemented by the Town for the fiscal year ended September 30, 2023; however, there was no impact to the Town.

GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, addresses issues related to public-private and public-public partnerships (PPP) and provides guidance for accounting and financial reporting for availability payment arrangements (APA). The Statement provides specific guidance on the accounting and financial reporting for PPP and APA transactions. This Statement was implemented by the Town for the fiscal year ended September 30, 2023; however, there was no impact to the Town.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, FUND BALANCE/NET POSITION (CONTINUED)

New Accounting Pronouncements Adopted (continued)

GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, provides guidance on the accounting and financial reporting for subscription-based information technology arrangements. This Statement was implemented by the Town for the fiscal year ended September 30, 2023; however, there was no impact to the Town.

GASB Statement No. 99, *Omnibus 2022*, addresses certain practice issues identified during implementation and application of certain GASB Statements, including, but not limited to, 1) classification and reporting of derivative instruments within GASB Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments*; 2) clarification of provisions in GASB Statement No. 87, *Leases*; 3) clarification of provisions in GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*; and 4) clarification of provisions in GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. This Statement was implemented by the Town for the fiscal year ended September 30, 2023.

NOTE 2 – PROPERTY TAXES

Under Florida law, the assessment of all properties and the collection of all county, municipal and school board property taxes are consolidated in the offices of the County Property Appraiser and the County Tax Collector. All property is reassessed according to its fair market value on January 1 of each year and each assessment roll is submitted to the State Department of Revenue for review to determine if the assessment rolls meet all of the appropriate requirements of State law. The laws of the State regulating tax assessment are also designed to ensure a consistent property valuation method statewide. State Statutes permit municipalities to levy property taxes at a rate of up to 10 mills for operating purposes. The tax rate for the Palm Beach County Fire/Rescue Municipal Service Taxing Unit (MSTU) is included in the 10 mills and was 3.4581.

The tax levy of the Town is established by the Town Commission prior to October 1 of each year during the budget process. The Palm Beach County Property Appraiser incorporates the Town's millage into the total tax levy, which includes the County, County School Board, and special district tax requirements. The millage rate assessed by the Town for the year ended September 30, 2023, was 5.3474 (\$5.3474 for each \$1,000 of assessed valuation).

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 2 – PROPERTY TAXES (CONTINUED)

Taxes may be paid, less a 4% discount, in November or at declining discounts each month through the month of February. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. Delinquent taxes on real property bear interest at 18% per year. On or prior to June 1 following the tax year, certificates are offered for sale for all delinquent taxes on real property.

After sale, tax certificates bear interest at 18% per year or at any lower rate bid by the buyer. The certificate holder may make application for a tax deed on any unredeemed tax certificate after a period of two years. The County holds unsold certificates. Delinquent taxes on personal property bear interest at 18% per year until the tax is satisfied either by seizure and sale of the property or by the five-year statute of limitations. At September 30, 2023, unpaid delinquent taxes are not material and have not been recorded by the Town.

NOTE 3 – DEPOSITS AND INVESTMENTS

DEPOSITS

In addition to insurance provided by the Federal Depository Insurance Corporation (“FDIC”), all deposits are held in banking institutions approved by the State Treasurer of the State of Florida to hold public funds. Under Florida Statutes Chapter 280, *Florida Security for Public Deposits Act*, the State Treasurer requires all Florida qualified public depositories to deposit with the Treasurer or another banking institution eligible collateral. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses. Accordingly, all amounts reported as cash deposits including certificate of deposits, are insured or collateralized.

The Town maintains a pooled account for cash and cash equivalents that is available for use by all funds. Each fund’s portion of the pooled account is displayed on the financial statements as “Pooled cash and cash equivalents”. Interest income from pooled checking accounts is allocated back to the General Fund. Investment income from the pooled SBA accounts is allocated to the funds based on each fund’s relative equity in the pool.

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 3 – DEPOSITS AND INVESTMENTS (CONTINUED)

INVESTMENTS

The Florida State Board of Administration (“SBA”) Pool, hereinafter referred to as “Florida PRIME”, is not a registrant with the Securities and Exchange Commission (“SEC”); however, its board has adopted operating procedures consistent with the requirements for a 2a-7 fund. In accordance with these requirements, the method used to determine the participants’ shares sold and redeemed is the amortized cost method. Amortized cost includes accrued income and is a method of calculating an investment’s value by adjusting its acquisition cost for the amortization of discount or premium over the period from purchase to maturity.

The SBA is governed by Chapter 19-7 of the Florida Administrative Code and Chapters 218 and 215 of the Florida Statutes. These rules provide guidance and establish the general operating procedures for the administration of the SBA. Additionally, the Office of the Auditor General of the State of Florida performs the operational audit of the activities and investment of the SBA. The SBA accounts are not subject to custodial credit risk as these investments are not evidenced by securities that exist in physical or bank entry form.

In accordance with GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, the Town’s investment in the Florida PRIME meets the definition of a qualifying investment pool that measures, for financial reporting purposes, all of its investments at amortized cost and should disclose the presence of any limitations or restrictions on withdrawals. As of September 30, 2023, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant’s daily access to 100% of their account value. The Town, therefore, has no investments reported at fair value. The investment in the Florida PRIME is not insured by FDIC or any other governmental agency. At September 30, 2023, the Town’s investment in the Florida PRIME was \$8,002,472. Florida PRIME is presented as a cash equivalent.

Interest Rate Risk

The Town has an investment policy that limits investment maturities as a means of managing its exposure to market value losses arising from increasing interest rates. To mitigate risk, the Town primarily invests in investments with maturities of twelve months or less.

The dollar weighted average days to maturity (“WAM”) of Florida PRIME at September 30, 2023, is 35 days. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (“WAL”) of Florida PRIME at September 30, 2023, is 75 days.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 3 – DEPOSITS AND INVESTMENTS (CONTINUED)

INVESTMENTS (CONTINUED)

Credit Risk

The Town has an investment policy that limits investments to the highest ratings by a nationally recognized statistical rating organization (“NRSRO”) (Standard and Poor’s and Moody’s investment services). In order to mitigate credit risk, the Town does limit investments to the highest ratings by a NRSRO. Florida PRIME is rated AAAm by Standard and Poor’s.

Concentration of Credit Risk

The Town diversifies its portfolio in such a way to control the risk of loss resulting from concentration of assets to a specific maturity, instrument, issue, dealer, or bank though which these securities are bought and sold. The Town only invests in Florida PRIME at September 30, 2023.

NOTE 4 – NOTES RECEIVABLES AND GRANT COMMITMENTS

The CRA has a program to give grants and low interest loans for business development and facade improvements. The loans bear interest at 2% and are payable monthly for terms of five to ten years. The grants are to be repaid if the business is sold within five years and one fifth of the grant is forgiven each year. Both the loans and grants are secured by a lien on the improvements and/or the property of the business. There are no loans outstanding at September 30, 2023.

In fiscal year 2023, a grant for \$1,000,000 payable over five years was awarded with \$200,000 being paid and a balance of \$800,000.

TOWN OF LAKE PARK, FLORIDA

LEASES RECEIVABLE

Effective October 1, 2021, the Town implemented GASB No. 87, *Leases*, which required the Town to recognize a lease receivable and a deferred inflow of resources. The Town, as lessor, has ground leases for a communication tower (cell phone tower) and a parking lot. As of September 30, 2023, the remaining lease terms under these agreements, including options to extend, ranged from six to fifteen years. An initial lease receivable was recorded in the amount of \$752,914. As of September 30, 2023, the value of the lease receivable is \$673,369. The value of the deferred inflow of resources as of September 30, 2023, was \$655,460, and the Town recognized lease revenue of \$26,430 and interest income of \$27,992 during the fiscal year. The following schedule represents the future principal and interest revenue to be received:

Fiscal Year Ending September 30	Principal	Interest	Total
2024	\$ 28,831	\$ 26,935	\$ 55,766

PLEDGED REVENUES

The Revenues Bonds Series 2016 and the Promissory Notes Series 2008A, 2008B and 2009 are all secured by the non-ad valorem revenues of the Town. The pledged revenues for the fiscal year ended September 30, 2023 were \$7,419,802 and the related debt service was \$713,045. Total principal and interest to maturity to be paid from pledged revenues is \$3,969,096.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 7 – LONG-TERM LIABILITIES (*CONTINUED*)

PROMISSORY NOTE, SERIES 2008A (NOTES PAYABLE)

On August 28, 2008, the Town executed a tax-exempt note in the principal amount of \$4,928,350 with the Bank of America. Loan proceeds are restricted to finance the settlement of the pension obligation to the Town of Lake Park Firefighters' Pension and for the construction of improvements in the marina. In addition, \$2,420,000 of the governmental loan proceeds were transferred to the CRA as a grant for the acquisition of property and for the construction of improvements within the Town's community redevelopment area in accordance with an interlocal agreement between the Town and the CRA executed on August 20, 2008. The agreement does not require the CRA to repay the grant from the Town; however, if the CRA makes a voluntary payment to the Town, the Town will use the payment to pay debt service on the note.

The Town is required to meet certain minimum financial amounts, debt limitations and reporting requirements. The continued exclusion of interest on the Tax-Exempt Note from gross income for federal income tax purposes depends, in part, upon compliance with the arbitrage limitations imposed by Sections 103(b)(2) and 148 of the Internal Revenue Code. Interest on the note is payable by the Town semi-annually on April 1 and October 1 and principal payments are due on April 1 with a final maturity date of April 1, 2028. The note bears an annual interest rate of 3.67%, which is subject to adjustment upon the occurrence of a Determination of Taxability.

PROMISSORY NOTE, SERIES 2008B (NOTES PAYABLE)

On August 28, 2008, the Town executed a note in the principal amount of \$309,550 with the Bank of America to finance the construction of improvements in the marina and the purchase of recreation vehicles. The Town is required to meet certain minimum financial amounts, debt limitations and reporting requirements. Interest on the note is payable by the Town semi-annually on April 1 and October 1 and principal payments are due on April 1 with a final maturity date of April 1, 2028. The note bears an annual interest rate of 6.78%.

PROMISSORY NOTE, SERIES 2009 (NOTES PAYABLE)

On August 7, 2009, the Town executed a note in the principal amount of \$1,475,000 with the Bank of America to finance land acquisition and improvements, the purchase of a sanitation truck, fuel tanks, parking meters, and make roof repairs. The Town is required to meet certain minimum financial amounts, debt limitations and reporting requirements. Interest on the note is payable by the Town semi-annually on April 1 and October 1 and principal payments are due on April 1 with a final maturity date of April 1, 2024. The note bears an annual interest rate of 5.11%.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 7 – LONG-TERM LIABILITIES (CONTINUED)

PROMISSORY NOTE, SERIES 2009 (NOTES PAYABLE) (CONTINUED)

The Promissory Notes Series 2008A, 2008B and 2009 all contain a provision that upon the occurrence of any event of default, the bank may declare all obligations of the Town under the notes to be immediately due and payable without further action of any kind and upon such declaration the Note and the interest accrued thereon shall become immediately due and payable.

DOERING PROMISSORY NOTE (NOTES PAYABLE)

The Town entered into a promissory note for financing the purchase of a sanitation truck with a price of \$165,575 on September 7, 2022. There are thirty-six monthly payments due of \$5,390 starting on September 7, 2022, and the note bears an annual interest rate of 11.25%.

GOVERNMENT OBLIGATION NOTES, SERIES 2023 (NOTES PAYABLE)

On April 5, 2023, the Town executed a note for the purchase of two sanitation trucks. The note was for total amount of \$687,243. The Town is required to appropriate funds annually to pay the current amount due. The note is payable in four annual payments of \$198,287. Principal and interest on the note is payable by the Town annually a final maturity date of April 5, 2027. The note bears an annual interest rate of 5.990%.

GOVERNMENT OBLIGATION NOTES, SERIES 2023 (NOTES PAYABLE)

The agreements include a provision that upon the occurrence of any event of default, the lessor may retake possession of the sanitation trucks.

The debt service requirements to maturity for the notes payable are as follows:

Year Ending September 30,	Governmental Activities			Business-Type Activities		
	Principal	Interest	Total Amount	Principal	Interest	Total Amount

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 7 – LONG-TERM LIABILITIES (*CONTINUED*)

LEASE OBLIGATIONS

The Town entered into a lease agreement for financing the installation and renewal of facility infrastructure with a purchase price of \$1,494,679 on March 28, 2019. The accumulated amortization was approximately \$280,125. Amortization expense related to the equipment is included in depreciation expense in the accompanying financial statements. The agreement includes a provision that upon the occurrence of any event of default, the lessor may retake possession of the equipment under lease.

The Town entered into a lease agreement for financing the purchase of street sweeper with a price of \$259,871 on June 16, 2020. The accumulated amortization was approximately \$155,922. Amortization expense related to the equipment is included in depreciation expense in the accompanying financial statements. The lease agreements include a provision that upon the occurrence of any event of default, the lessor may retake possession of the equipment under lease.

The future minimum lease obligations as of September 30, 2023, are as follows:

Year Ending September 30,	Governmental Activities			Business-Type Activities		
	Principal	Interest	Total Amount	Principal	Interest	Total Amount
2024	\$ 63,331	\$ 45,987	\$ 109,318	\$ 53,681	\$ 1,825	\$ 55,506

REVENUE BONDS, SERIES 2016

These bonds were issued September 29, 2016 in the amount of \$3,660,000 to advance refund the Series 2003A Florida Municipal Loan Council Revenue Bonds. The refunded note had an outstanding principal of \$3,575,000 at the refunding date and was called on November 1, 2016. The refunded note was issued in 2003 in the amount of \$4,810,000 for the construction of improvements at the Town's marina. The 2016 Bonds mature serially on October 1 of each year through October 1, 2033 with interest payable semiannually at rates ranging from 2% to 5%. The loan is secured by a covenant to appropriate in the annual

LEASES (RIGHT-OF-USE ASSETS)

The Town entered into 10 lease agreements as a Lessee with a duration of 60 months. The lease agreements qualify as other than a short-term lease under GASB 87 and; therefore, have been recorded at the present value of the future minimum lease payments as of the date of their inception. An initial lease liability was recorded in the amount of \$393,897. Principal and interest payments made during the fiscal year totaled \$20,437. Required monthly fixed payments range from approximately \$685 to \$880. The value of the leases (right-to-use assets) as of September 30, 2023 is \$393,897 with accumulated amortization of \$65,650.

Total	<u>\$ 378,425</u>	<u>\$ 99,750</u>	<u>\$ 478,175</u>

NOTE 8 – INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS

In governmental accounting, interfund loans are reported as interfund receivables in lender funds and interfund payables in borrower funds. There is no net effect in the governmental-wide financial statements. The current portion of the interfund loan is reported in the governmental funds as Due to and Due from other funds and the non-current portion is reported as Advance to and Advance from other funds.

The composition of interfund balances at September 30, 2023, is as follows:

Receivable Fund	Payable Fund	Due to/from	Advance
General Fund	Marina Fund	\$ --	\$ 3,250,000
CRA Fund	General Fund	317,379	--
General Fund	Sanitation Fund	85,606	--
General Fund	Marina Fund	59,248	--
General Fund	Streets and Roads Fund	76,743	--
Total Interfund Balances		<u>\$ 538,976</u>	<u>\$ 3,250,000</u>

All payables and receivables were for cash flow purposes.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 8 – INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS (CONTINUED)

Interfund transfers during the fiscal year ended September 30, 2023, are as follows:

Transfer Out	Transfer In				Total
	General Fund	CRA Fund	Marina Fund	Stormwater Fund	
General Fund	\$ --	\$ 1,162,739	\$ --	\$ --	\$ 1,162,739
ARPA Fund	700,613	--	138,382	136,648	975,643
CRA Fund	173,889	--	--	--	173,889
Marina Fund	10,000	--	--	--	10,000
Sanitation Fund	31,436	--	--	--	31,436
Total Funds	<u>\$ 915,938</u>	<u>\$ 1,162,739</u>	<u>\$ 138,382</u>	<u>\$ 136,648</u>	<u>\$ 2,353,707</u>

The transfer from the CRA Fund to the General Fund was for principal and interest payments that the CRA Fund agreed to reimburse the General Fund if the CRA Fund has sufficient available resources.

The transfer from the General Fund to the CRA Fund was for the 2023 incremental tax obligation.

The transfers from the ARPA Fund to the General Fund, Marina Fund and Stormwater Fund were for American Rescue Plan grant expenditures.

The transfer from the Marina Fund to the General Fund was for the Marina's share of the Johnson Controls upgrade.

The transfer from the Sanitation Fund to the General Fund was for principal and interest payments.

NOTE 9 – DEFERRED COMPENSATION PLAN ASSETS

Employees of the Town may participate in a deferred compensation plan adopted under the provisions of Internal Revenue Code Section 457 (Deferred Compensation Plans with Respect to Service for State and Local Governments).

The deferred compensation plan is available to all employees of the Town. Under the plan, employees may elect to defer a portion of their salaries and avoid paying taxes on the deferred portion until the withdrawal date. The deferred compensation amount is not available for withdrawal by employees until termination, retirement, death, or unforeseeable emergency. A third party administers the deferred compensation plan.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 9 – DEFERRED COMPENSATION PLAN ASSETS (CONTINUED)

In 1999, the Town adopted GASB-32, *Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*. The Town modified its Deferred Compensation Plan to conform with the changes in the Internal Revenue Code brought about by the Small Business Job Protection Act of 1996 (the “Act”). The Act requires that eligible deferred compensation plans established and maintained by governmental employers be amended to provide that all assets of the plan be held in trust, or under one or more appropriate annuity contracts or custodial accounts, for the exclusive benefit of plan participants and their beneficiaries. As a result of this change, these plan assets are no longer property of the Town and will no longer be subject to the claims of the Town’s general creditors.

Because the Town has little administrative involvement and does not perform the investing function for funds in the Plan, the Town’s activities do not meet the criteria for inclusion in the fiduciary funds of a government.

NOTE 10 – DEFINED CONTRIBUTION PENSION PLAN

The General Employees Retirement Plan is a defined contribution pension plan established by the Town to provide benefits at retirement for all current employees. Defined contribution plans have terms that specify how contributions to an individual’s account are to be determined rather than the amount of pension benefits the individual is to receive. In a defined contribution plan, the pension benefits a participant will receive depend only on the amount contributed to the participant’s account, earnings on investments of these contributions, and forfeitures of other participants’ benefits that will be allocated to the participant’s account. The Town does not hold or administer resources of the Plan. Consequently, the Plan does not meet the requirements for inclusion in the Town’s financial statements as a fiduciary fund. The Plan does not issue a stand-alone financial report. Plan provisions are established and may be amended only by the Town Commission.

Employees are eligible to participate in the plan after completing six (6) months of continuous full-time employment and having reached age 18. The Town is required to contribute 7.5% of the plan members’ annual compensation and match 50% of the employees’ voluntary contributions under the deferred compensation plan, up to a maximum of 2.5% of participants’ annual compensation. For the fiscal year ended September 30, 2023, the Town had pension expense of \$322,629, and there were forfeitures of \$16,213. The Town had no contributions payable at September 30, 2023.

Vesting of the Town’s contributions in the 401(a) plan commences after two years of service, with 25% vesting in year two and 25% each year thereafter until fully vested after five years. If an employee terminates before becoming fully vested, forfeited amounts will be reallocated to accounts of remaining participants as an additional employer contribution.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 11 – DEFINED BENEFIT PENSION PLAN

The Town administers one single employer defined benefit pension plan that covers no current Town employees. The Retired Police Officers' Pension Fund ("RPOPF" or "Plan") covers certain police retirees. The plan was established by the Town and administered by a separate board of trustees. The Board of Trustees consist of five members, the Town Manager, the Town Finance Director, two plan participants and a Town Citizen appointed by the other four members. The plan does not issue stand-alone financial reports.

At October 1, 2022, the date of the latest actuarial valuation, the membership in RPOPF consisted of the following:

Inactive plan members or beneficiaries currently receiving benefits	6
Active plan members	--
	<u>6</u>

Effective October 1, 2001, the Palm Beach County Sheriff's Office (PBSO) was contracted to provide police services for the Town. In connection with the transfer of Town police services to the PBSO, the active plan members of the plan were eligible for a lump sum payout. Effective November 20, 2002, the Town terminated the Municipal Police Officers' Retirement Trust Fund and distributed lump sum payouts to the vested participants. On October 15, 2003, the Town established the Retired Police Officers' Pension Fund for the retirees covered by the original plan and transferred substantially all remaining assets of the original plan to the new plan in April 2004.

The Plan is a substituted trust established on October 1, 2003 by Town Ordinance No. 13-2003 to provide the retired members of the previous defined benefit pension plan with the monthly retirement benefits that were accrued under the prior plan. Accordingly, the Retired Police Officers' Pension Fund covers only retirees and has no active plan members or employees of the Town that are eligible to participate and the provisions of the Retired Police Officers' Pension Fund as established by Town ordinance, do not address any provisions related to vesting, eligibility for retirement, future retirement benefits, other benefits, or employee contributions. Administrative expenses are financed as part of the unfunded actuarial accrued liability.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 11 – DEFINED BENEFIT PENSION PLAN (CONTINUED)

INVESTMENTS

Target Asset Mix

The plan's adopted asset allocation policy as of September 30, 2023, is as follows:

<u>Asset Class</u>	<u>Target Allocation</u>
Fixed Income	29 %
Large cap growth	25
Large cap value	26
Mid cap growth	4
Mid cap value	1
Small cap growth	1
Real estate	5
Internatioanl	9
Total	<u><u>100 %</u></u>

Interest Rate Risk

Interest rate risk refers to the portfolio's exposure to fair value losses arising from increasing interest rates. The Plan does not have a formal investment policy that limits investment maturities as a means of managing its exposure to market value losses arising from increasing interest rates.

Credit Risk

The Plan's investment policy limits investments in bonds, stocks, or other evidences of indebtedness issued or guaranteed by a corporation organized under the laws of the United States, any state or organized territory of the United States, or the District of Columbia, provided the corporation is listed on any one or more of the recognized national stock exchanges or on the National Market System of the NASDAQ Stock Market and in the case of bonds only, holds a rating in one of the three highest classifications by a major rating service.

Concentration of Credit Risk

The Plan's investment policy prohibits equity securities concentrations greater than 5% in the securities of any one company at cost and fixed income securities concentrations greater than 5% in any one issuer with the exception of U.S. government or agency issues. As of September 30, 2023, the value of each position held in the Plan's portfolio comprised less than 5% of fiduciary net position.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 11 – DEFINED BENEFIT PENSION PLAN (CONTINUED)

INVESTMENTS (CONTINUED)

Rate of Return

For the fiscal year ended September 30, 2023, the annual money-weighted rate of return on Pension Plan investments, net of pension plan investment expense, was 13.19 percent adjusted for the changing amounts actually invested.

Fair Value Hierarchy

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Town's pension plan categorizes their fair value measurements within the fair value hierarchy established by GAAP. The fair value hierarchy categorizes the inputs to valuation techniques used to measure fair value into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 - Investments' fair values based on prices quoted in active markets for identical assets.

Level 2 - Investments' fair values based on observable inputs for the assets either directly or indirectly, other than those considered Level 1 inputs, which may include quoted prices for identical assets in markets that are not considered to be active, and quoted prices of similar assets in active or inactive markets.

Level 3 - Investments' fair values based upon unobservable inputs.

Exchange traded funds and mutual funds classified in Level 1 of the fair value hierarchy are valued based on prices quoted in active markets for those securities. Exchange traded funds are commonly referred to as "ETF". ETFs are funds that trade like other publicly-traded securities and are designed to track an index. Similar to shares of an index mutual fund, each share of the fund represents a partial ownership in an underlying portfolio of securities intended to track a market index.

The Plan does not value any of its investments using Level 2 or 3 inputs.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 11 – DEFINED BENEFIT PENSION PLAN (CONTINUED)

INVESTMENTS (CONTINUED)

Fair Value Hierarchy (continued)

The following is a summary of the fair value hierarchy of the fair value of investments as of September 30, 2023:

Year Ended September 30,	Fair Value Measurements Using	
	9/30/2023	Quoted Prices in Active Markets for Identical Assets (Level 1)
Fiduciary Fund		
Global fixed income mutual funds	\$ 192,000	\$ 192,000
Equity ETF	718,427	718,427
Fixed income ETF	130,376	130,376
Real estate ETF	<u>51,885</u>	<u>51,885</u>
Total investments measured at fair value	<u>\$ 1,092,688</u>	<u>\$ 1,092,688</u>

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those such changes could materially affect the amounts reported in the statement of fiduciary net position. The Plan, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis which the Plan believes minimizes these risks.

ACCOUNTING POLICIES

The Plan follows the accrual basis of accounting. Contributions are recorded when paid or when the Town has made the commitment to contribute to the Plan. Purchases and sales are recorded on the trade-date basis. Benefits and refunds are recognized when due and payable in accordance with the terms of the Plan. Administrative costs of the Plan are funded through investment earnings.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 11 – DEFINED BENEFIT PENSION PLAN (CONTINUED)

CONTRIBUTIONS AND FUNDING POLICY

The Town is required to make contributions at actuarially determined amounts; there was \$34,093 minimum contribution requirement for the fiscal year ended September 30, 2023. The minimum contribution consists of the unfunded actuarial accrued liability, which should provide sufficient resources to pay employee pension benefits when due.

The actuarially determined contribution for the Plan for the current year was determined as part of the October 1, 2022 actuarial valuation using the aggregate actuarial cost method. The aggregate actuarial cost method does not identify and separately amortize unfunded actuarial liabilities and therefore, information about funding status and funding progress is presented using the entry age normal cost method for the Plan.

NET PENSION LIABILITY

The components of the net pension liability of the Town at September 30, 2023, were as follows:

Description	Total Pension Liability (a)	Fiduciary Net Position (b)	Net Pension Liability (a)-(b)
Balances at September 30, 2022	<u>\$ 1,485,446</u>	<u>\$ 1,152,412</u>	<u>\$ 333,034</u>
Changes due to			
Interest	106,496	--	106,496
Differences between expected and actual experience	(24,589)	--	(24,589)
Employer contributions	--	62,090	(62,090)
Benefit payments and refunds	(132,388)	(132,388)	--
Net investment income	--	140,884	(140,884)
Administrative expenses	--	(33,813)	33,813
Total Changes	<u>(50,481)</u>	<u>36,773</u>	<u>(87,254)</u>
Balances at September 30, 2023	<u><u>\$ 1,434,965</u></u>	<u><u>\$ 1,189,185</u></u>	<u><u>\$ 245,780</u></u>

The Plan fiduciary net position was 82.89% of the total pension liability as of September 30, 2023.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 11 – DEFINED BENEFIT PENSION PLAN (CONTINUED)

NET PENSION LIABILITY (CONTINUED)

Significant Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of October 1, 2022 updated to September 30, 2023 using the following actuarial assumptions applied to the September 30, 2023, measurement period.

Inflation	2.00%
Salary increases	N/A
Investment rate of return	7.50%
Mortality	Female: PubS.H-2010 for Healthy Retirees, set forward one year. Male: PubS.H-2010 (Below Median) for Healthy Retirees, set forward one year.

Long-Term Expected Rate of Return

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included the pension plan's target asset allocation as of September 30, 2023, are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>
Equity	5.64%
Fixed income	1.35%

Discount Rate

The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rates assumed that plan member contributions will be made at the current contribution rate and that sponsor contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 11 – DEFINED BENEFIT PENSION PLAN (CONTINUED)

NET PENSION LIABILITY (CONTINUED)

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the net pension liabilities of the Town, calculated using the discount rates above, as well as what the Town's net pension liabilities would be if it were calculated using a discount rate that is one percentage-point lower or one percentage-point higher than the current rate.

	1% Decrease	Current Discount Rate	1% Increase
	6.50%	7.50%	8.50%
Town's net pension liability	\$ 317,004	\$ 245,780	\$ 183,144

PENSION EXPENSE AND DEFERRED OUTFLOWS AND INFLOWS OF RESOURCES

For the fiscal year ended September 30, 2023, the Town recognized pension expense of \$54,479. In addition, the Town reported deferred outflows of resources and deferred inflows of resources related to the Plan from the following sources:

Description	Deferred Outflows of Resources
Net difference between projected and actual earnings on plan investments	\$ 59,860

The amounts reported as deferred outflows of resources and deferred inflows of resources related to the plan will be recognized in pension expense as follows:

Year Ended September 30,	Amount
2024	\$ 14,154
2025	9,593
2026	47,774
2027	(11,661)
	<u>\$ 59,860</u>

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 12 – OTHER POSTEMPLOYMENT BENEFITS

PLAN DESCRIPTION

The Town provides a single employer defined benefit postemployment health care benefit plan to all of its employees. The plan allows its employees and their beneficiaries to continue to obtain health benefits upon retirement. The benefits of the plan are in accordance with Florida Statutes, which is the legal authority for the plan. The plan has no assets and does not issue a separate financial report.

CONTRIBUTIONS

Currently, the Town follows a pay-as-you-go funding policy, contributing only those amounts necessary to provide for its portion of current year benefit costs and expenses. The Town does not directly make a contribution to the plan on behalf of retirees. Retirees and their beneficiaries pay the same group rates as are charged to the Town for active employees by its healthcare provider. For the fiscal year ended September 30, 2023 there were no retirees receiving other postemployment benefits. Current and future retirees are required to pay 100% of the blended premium to continue coverage under the Town's group health insurance program..

PLAN MEMBERSHIP

The following table provides a summary of the participants in the plan as of October 1, 2021, the latest valuation date:

Active plan members	61
Inactive plan members or beneficiaries currently receiving benefits	--
Inactive plan members or beneficiaries entitled to but not yet receiving benefits	<u>--</u>
	<u>61</u>

OPEB LIABILITY, OPEB EXPENSE, AND DEFERRED OUTFLOWS OF RESOURCES AND DEFERRED INFLOWS OF RESOURCES RELATED TO OPEB

At September 30, 2023, the Town reported a total OPEB liability of \$115,589. For the fiscal year ended September 30, 2023, the Town recognized OPEB expense of \$7,460. As of September 30, 2023, the Town did not report any deferred outflows of resources or deferred inflows of resources related to OPEB.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 12 – OTHER POSTEMPLOYMENT BENEFITS (CONTINUED)

ACTUARIAL METHODS AND ASSUMPTIONS

The total OPEB liability was calculated using the Alternative Measurement Method in accordance with the GASB No. 75 methodology.

Significant methods and assumptions were as follows:

Valuation date	October 1, 2021
Measurement date	September 30, 2023
Actuarial cost method	Entry Age Cost Method
Inflation	2.50%
Discount rate	4.87%
Retirement rates	100% at age 60
Mortality tables	PubG-2010 Mortality Table projected to the valuation date using MP-2019
Healthcare cost trend rates	Initially 7.50% trending to 4.00% in 55 years
Marital status	100% married with male spouses 3 years older than female spouses
Healthcare participation	20% participation with 40% electing spouse coverage

CHANGES IN ASSUMPTIONS

The discount rate was changed from 4.77% as of the beginning of the measurement period to 4.87% as of September 30, 2023. This change is reflected in the schedule of changes in total OPEB liability. There were no benefit changes during the year.

The following table presents the total OPEB liability of the Town calculated using the assumed trend rates (7.50% decreasing to 4.00%) as well as what the Town's total OPEB liability would be if it were calculated using a trend rate that is one percentage point lower or one percentage point higher than the assumed trend rates.

	1.0% Decrease (6.5% Decreasing to 3%)	Trend Rates (7.5% Decreasing to 4%)	1.0% Increase (8.5% Decreasing to 5%)
Total OPEB Liability	\$ 105,195	\$ 115,589	\$ 127,675

NOTE 13 – JOINTLY GOVERNED ORGANIZATION

The Town, through an interlocal agreement with certain other municipalities and Palm Beach County, created the Seacoast Utility Authority ("Seacoast") which provides water and sewer service to the citizens of each of the participating municipalities and a portion of Palm Beach County. Seacoast's governing board is comprised of one member from each participating entity. Seacoast is an Independent Authority organized under the laws of the State of Florida, and the Town has no participating equity ownership in Seacoast. The Town paid \$41,956 to Seacoast during the fiscal year for water and sewer service.

NOTE 14 – RISK MANAGEMENT

The Town is exposed to various risks of loss related to torts: theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the Town carries commercial insurance through the Florida League of Cities, Inc., a statewide commercial insurance program. The policy for comprehensive property, casualty and liability insurance provides coverage with a deductible of \$5,000 for property and casualty and \$25,000 for liability claims per occurrence, with a combined annual cap of \$2 million. The Town does not retain any risk of loss under this policy.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 14 – RISK MANAGEMENT (CONTINUED)

Florida Statutes limit the Town's maximum loss for most liability claims to \$200,000 per person and \$300,000 per occurrence under the Doctrine of Sovereign Immunity. However, under certain circumstances, a plaintiff can seek to recover damages in excess of statutory limits by introducing a claims bill to the Florida Legislature.

The limits addressed in Florida Statutes do not apply to claims filed in Federal courts. There have been no significant reductions in insurance coverage in the prior year. No settlements exceeded insurance coverage for the past three years.

The Town has established a risk management program for workers' compensation where premiums are paid from each department to the Florida League of Cities who fully insures all claims to a statutory level. The Town does not retain any risk of loss under this policy. There were no significant reductions in insurance coverage from the prior year. The amount of insurance settlements has not exceeded the Town's insurance coverage in any of the prior three fiscal years.

The Town currently reports all of its risk management activities in the Insurance Fund. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported.

GRANTS

Amounts received or receivable from grantor agencies are subject to audit and adjustment by those agencies, principally Palm Beach County, FEMA, the U.S. Department of Housing and Urban Development and the State of Florida. Any disallowed claims, including amounts already received, might constitute a liability of the Town for the return of those funds.

LITIGATION

The Town is a defendant in various lawsuits arising in the ordinary course of normal operations. Although the ultimate outcome of some of these lawsuits cannot be determined at the present time, it is the opinion of legal counsel that the likelihood of unfavorable outcome and the amounts of potential losses cannot be reasonably determined for all claims at this time.

TOWN OF LAKE PARK, FLORIDA

NOTES TO FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 15 – ADMINISTRATIVE COSTS

The General Fund provides the other funds with various management services. Administrative costs totaling \$254,147 for the CRA Fund; \$113,673 for the Streets and Roads Fund; \$397,854 for the Marina Fund; \$511,427 for the Sanitation Fund; and \$227,345 for the Stormwater Utility Fund were charged for 2023.

NOTE 16 – DEFICIT NET POSITION

The Town has a net position financial deficit of \$1,256,504 in the Marina Fund as of September 30, 2023. This was caused by the Town terminating and repaying a grant agreement for \$2,400,000 that placed restrictions on land the grant purchased. The Town is currently negotiating with a developer for the Marina and expects these future payments to offset the deficit.

NOTE 17 – INTER-LOCAL AGREEMENTS

FIRE PROTECTION AND EMERGENCY MEDICAL SERVICES

The Town opted into the County's Fire-Rescue Municipal Services Taxing Unit ("MSTU") for the provision of fire rescue, fire protection, and related services from the County which commenced on October 1, 2015. The tax for the MSTU is included in the maximum 10 mills the Town is legally allowed to assess. On September 30, 2023, the MSTU millage rate was 3.4581 mills.

PALM BEACH COUNTY SHERIFF'S OFFICE INTER-LOCAL AGREEMENT

On April 11, 2006, the Town and the Palm Beach County Sheriff's Office entered into an agreement for law enforcement services which commenced October 1, 2005. The seventeenth addendum to the contract extended the term of service from October 1, 2022, thru September 30, 2023, and the Town will pay \$3,333,263 in equal monthly installments. The agreement was renewed thru September 30, 2024.

Change of Assumptions

For September 30, 2020, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2019 FRS valuation report for special risk employees.

This schedule is presented as required by accounting principles generally accepted in the United States of America.

SCHEDULE OF CHANGES IN TOTAL OPEB LIABILITY

FOR THE YEAR ENDED SEPTEMBER 30

	2018	2019	2020	2021	2022	2023
Total OPEB Liability - Beginning	<u>\$ 119,471</u>	<u>\$ 120,655</u>	<u>\$ 132,825</u>	<u>\$ 123,631</u>	<u>\$ 129,194</u>	<u>\$ 108,129</u>
Changes for the Year						
Service cost	9,362	9,008	14,531	13,501	14,521	10,256
Interest	4,555	5,252	5,086	2,854	3,547	5,472
Differences Between Expected and Actual Experience			(450)		6,063	--
Changes of assumptions	(5,275)	6,021	(18,599)	(3,185)	(37,524)	(863)
Benefit payments	<u>(7,458)</u>	<u>(8,111)</u>	<u>(9,762)</u>	<u>(7,607)</u>	<u>(7,672)</u>	<u>(7,405)</u>
Net Change in Total OPEB Liability	<u>1,184</u>	<u>12,170</u>	<u>(9,194)</u>	<u>5,563</u>	<u>(21,065)</u>	<u>7,460</u>
Total OPEB Liability - Ending	<u>\$ 120,655</u>	<u>\$ 132,825</u>	<u>\$ 123,631</u>	<u>\$ 129,194</u>	<u>\$ 108,129</u>	<u>\$ 115,589</u>
Covered Employee Payroll	<u>\$ 2,388,729</u>	<u>\$ 2,448,447</u>	<u>\$ 2,999,824</u>	<u>\$ 3,074,819</u>	<u>\$ 3,368,189</u>	<u>\$ 3,286,038</u>
Total OPEB Liability as a Percentage of Covered Employee Payroll	5.05%	5.42%	4.12%	4.20%	3.21%	3.52%

The plan is funded on a pay-as-you-go basis and is not administered as a formal qualifying trust. There were no plan assets as of the date of the most recent valuation. Since there are currently no invested plan assets held in trust to finance the Total OPEB liability, the discount rate is the long-term rate of return on tax-exempt, high quality municipal bonds based on the daily rate of Fidelity's "20-Year Municipal GO AA Index".

This schedule is presented as required by accounting principles generally accepted in the United States of America, however, until a full 10-year trend is compiled, information is presented for those years available.

TOWN OF LAKE PARK, FLORIDA
REQUIRED SUPPLEMENTARY INFORMATION
NOTE TO BUDGETARY COMPARISON SCHEDULES
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – BUDGETARY ACCOUNTING

An appropriated budget has been legally adopted for the General Fund and Community Redevelopment Fund on the same modified-accrual basis used to reflect revenue and expenditures.

The Town follows these procedures in establishing the annual budget:

- Prior to September 1, the Town Manager submits to the Town Commission a proposed operating budget for the fiscal year commencing the following October 1. The operating budget includes proposed expenditures and the means of financing them.
- Public hearings are conducted at the Town Hall to obtain taxpayer comments.
- The Town advises the Palm Beach County Tax Collector's office of the proposed millage rate, the rolled back millage rate and the day, time and place of the public hearing for budget acceptance.
- A public hearing is held to obtain taxpayer input and to adopt the final budget and millage rate.
- A final operating budget and related millage rates are legally enacted through the passage of a resolution.
- Changes or amendments to the total budgeted expenditures of funds the must be approved by the Town Commission. Accordingly, the legal level of control is at the fund level.
- All unencumbered balances lapse at the end of each fiscal year.

NOTE 2 – EXPENDITURES OVER APPROPRIATIONS

There were no expenditures in excess of appropriations at the fund level.

Source: Notice of Ad Valorem Taxes and Non-Ad Valorem Assessments

(1) Overlapping rates are those of local and county governments that apply to property owners within the Town of Lake Park. Not all overlapping rates apply to all Town property owners (i.e. The rates for special district apply only to the proportion of the government's property owners whose property is located within the geographic boundaries of the special district.).

(2) Starting with tax year 2015, rather than paying for fire services the Town entered into a Municipal Services Taxing Unit (MTSU) with Palm Beach County Fire/Rescue who will receive the taxes directly.

REPORTING SECTION

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Mayor and Town Commission
Town of Lake Park, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Lake Park, Florida (the "Town"), as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements, and have issued our report thereon dated December 2, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Town's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item SD2023-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and responses as item SD2023-002.

Town's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Town's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Town's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Marcum LLP

West Palm Beach, Florida
December 2, 2024

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR THE MAJOR
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Honorable Mayor and Town Commission
Town of Lake Park, Florida

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited the Town of Lake Park, Florida's (the "Town") compliance with the types of compliance requirements described in the *OMB Compliance Supplement*, that could have a direct and material effect on the Town's major federal program for the fiscal year ended September 30, 2023. The Town's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Town complied, in all material respects, with the type of compliance requirements referred to above that could have a direct and material effect on its major federal program for the fiscal year ended September 30, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Town's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal controls over compliance with the requirements of laws, statutes, regulations, rules and provision of contracts or grant agreements applicable to the Town's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Town's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Town's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Town's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Town's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the “Schedule”) presents the expenditure activity of all federal awards of the Town of Lake Park, Florida (the “Town”) for the fiscal year ended September 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Town, it is not intended to and does not present the financial position, changes in net position/fund balance or cash flows of the Town.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 – INDIRECT COST RATE

The Town has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

TOWN OF LAKE PARK, FLORIDA

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

Dollar threshold used to distinguish between Type A and Type B federal programs:

\$750,000

Auditee qualified as low-risk auditee pursuant to the Uniform Guidance?

 X Yes No

TOWN OF LAKE PARK, FLORIDA

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

SECTION II – FINANCIAL STATEMENT FINDINGS

SD2023-001 – GENERAL INFORMATION TECHNOLOGY

Criteria

The Town's computerized information systems are vital to its daily operations. As such, the Town should have a formal written Information Technology (IT) Policy that documents and encompasses various areas such as: General IT procedural manual, disaster recovery plan, user access reviews, software modifications, data back-up schedules, cybersecurity incident response plan, etc.

Condition

While we observed that certain informal policies are in place and operational, we found that the Town lacks formal documentation for its computer standards, policies, and procedures, which are essential for maintaining control over the numerous computing activities being carried out. Additionally, there is an absence of an official written policy addressing user access reviews, the management of controls for internally developed applications, and the Town's disaster recovery plan.

Cause

The Town currently does not have a comprehensive formal written IT policy.

Effect

Without proper documentation, management is not assured that its desired policies and procedures are being carried out. In addition, documentation is an effective tool for training new personnel, providing operations instructions, and assisting in system revisions and development of IT needs. Also, in the event of personnel turnover or emergency, the Town does not have a formal written IT policy document to use for immediate reference.

Recommendation

We recommend the Town to produce a formal written IT policy to properly address the condition above and to continuously update the policy on an annual basis as considered necessary. As a component of the policy, the document should include an up-to-date disaster recovery plan to provide continued operations and to ensure electronic files are not lost because of a major computer hardware or software failure or other potential external interruptions (e.g. natural disasters and cybersecurity attacks).

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

SECTION II – FINANCIAL STATEMENT FINDINGS (CONTINUED)

SD2023-002 – NON-COMPLIANCE WITH FLORIDA STATUTES

Criteria

Section 218.39(1), Florida Statutes, requires that a local government shall have an annual financial audit of its accounts and records completed within nine (9) months after the end of its fiscal year.

Condition

The Town did not issue and file the September 30, 2023 financial statements with the Auditor General by June 30, 2024 or the Annual Financial Report (“AFR”) to the Florida Department of Financial Services by June 30, 2024, as required by Florida Statutes.

Cause

The Town experienced significant personnel turnover within the finance department.

Effect

The lack of personnel led to delays in performing required financial statement closing procedures.

Recommendation

We recommend that the Town assess the finance department staffing needs and hire the required personnel.

View of Responsible Official and Planned Corrective Action

See accompanying corrective action plan.

SECTION III – FEDERAL AWARDS FINDINGS AND QUESTIONED COSTS

None.

TOWN OF LAKE PARK, FLORIDA

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

I. PRIOR YEAR FINANCIAL STATEMENT FINDINGS

None.

II. PRIOR YEAR FEDERAL AWARDS FINDINGS AND QUESTIONED COSTS

None.

**MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES OF THE
AUDITOR GENERAL OF THE STATE OF FLORIDA**

To the Honorable Mayor and Town Commission
Town of Lake Park, Florida

Report on the Financial Statements

We have audited the financial statements of the Town of Lake Park, Florida (the “Town”), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated December 2, 2024.

Auditors’ Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors’ Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditors’ Report on Compliance for the Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance; Schedule of Findings and Questioned Costs; Summary Schedule of Prior Audit Findings; and Independent Accountants’ Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedules, which are dated December 2, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the prior year that required corrective actions.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Town has made these disclosures in the notes to the financial statements.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Town has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Town did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Town. It is management's responsibility to monitor the Town's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same. Our assessment was done as of the fiscal year end. The results of our procedures did not disclose any matters that are required to be reported.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that the special district component unit provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Honorable Mayor, Town Commission, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE PURSUANT TO
SECTION 218.415, FLORIDA STATUTES**

To The Honorable Mayor and Town Commission
Town of Lake Park, Florida

We have examined the Town of Lake Park, Florida (the "Town") compliance with Section 218.415, Florida Statutes, Local Government Investment Policies, for the fiscal year ended September 30, 2023. Management of the Town is responsible for the Town's compliance with the specified requirements. Our responsibility is to express an opinion on the Town's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Town complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Town complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the Town's compliance with specified requirements.

In our opinion, the Town complied, in all material respects, with Section 218.415, Florida Statutes, for the fiscal year ended September 30, 2023.

This report is intended solely to describe our testing of compliance with Section 218.415, Florida Statutes, and it is not suitable for any other purpose.

RE: Response to Report of Audit Findings Management Letter for Year
ending September 30, 2023

SD2023-001 General Information Technology

The Chief Information Technology Officer is currently preparing I.T. policies that encompass, and address the findings of the audit. It is anticipated that this process will be completed by 12/31/2024.

SD2023-002 – Non-Compliance with Florida Statutes

There were a multitude of issues that delayed the Town having its annual financial audit completed within 9 months after the end of the fiscal year. There were personnel vacancies, which have been filled as of late June 2024. The employment market in South Florida is very challenging and the Town needed to employ multiple strategies to successfully resolve the issue. Additionally, the Town brought on new financial software in July 2023. This caused delays while employees worked through the learning curve to become fully functional in their positions. Finally, the engagement of new auditors took place too late for the process to successfully conclude by June 30, 2024. At this time, we expect to be in full compliance for June 30, 2025.

Should you have any questions or concerns about the above response, please contact me directly.

Sincerely,

Jeffrey DaSilva
