Bonner Mobile Bar Service

Suzanne Gardner

Bonner Mobile Bar Service is a fully licensed and professional mobile bar service. We strive to provide excellent bar service for a variety of events including festivals, weddings, holiday parties, fishing tournaments, concerts, and any other type of event that requires a licensed and insured beverage company.

Our equipment that we use is acquired for offsite bar service. We have 3 wrapped bar service trailers. They allow us to provide professional concession type bar service. The windows open and bartenders can service guests from the window. We also have a variety of mobile bars for service including wooden bars, LED bars, Street bars with our logo, and branded malibu bars.

We always staff approx. 50 bartenders to be able to provide service for multiple events on any given day.

We have provided service for the Sunset Celebration since its inception. Michael Pizano initially contacted our company and we have provided quality bar service for the Town of Lake Park for Sunset Celebration and other Town events.

Summary of work- Staff arrive onsite about 2 hours before the event. We can either use one of our trailers or set up a mobile bar for service. When guests

arrive we sell them beverages and collect payment either from cash or credit card. Once the event concludes we clean up our area and pack our supplies to take back to our warehouse.

There are many different types of liquor licenses. We have a 4COP Quota license that allows us to provide bar service anywhere there is not a liquor license onsite. I would like to discuss the different types of licenses and a short legality explanation.

4COP Quota- Can work anywhere with an agreement and sell or give alcoholic drinks to guests either public or private

13CT- Caterers License. Cannot provide cash bar service. Must have a licensed and insured caterer on site.

4COP- This is a restaurant license that is not permitted to provide service outside of the licensed establishment.

2COP- Beer and Wine License. Not permitted to provide cash bar service. License is only valid on licensed location.

Many companies offer bar service but do not have any liquor license. They are not allowed to provide or sell any alcohol and may only serve guests drinks for private events where the alcohol is provided to them.

I recommend call Alcohol and Tobacco to verify that the licensee is approved to provide cash bar service for your events. If by chance someone has a liquor license but is not legally allowed to provide the bar service the insurance provided would be void and liability would revert back to the Town of Lake Park.

## **Proposer's Qualifications and Experience**
