**PART A**  
**COMPOSITE**

**There is a need to improve (increase) the roadside street lighting for this project.**

**Park Avenue's multi-use path should include designated markings .**

**Public Comments:**

- Would like a grand focal point at US1
- Specialized parking for delivery vans across from Park Avenue Apartments
- Minimize parking on the street
- Underground FPL lines
- Wider driveways to accommodate SUV's/Trucks to protect the swails
