Summary Explanation/Background:

During the April 24, 2026 weekly report, the Town Commission were notified of a proclamation declaring April 2026 as Water Conservation Month during the Commission's Regular Meeting on May 6, 2026.

As in previous years, the South Florida Water Management District (SFWMD) in partnership with the State of Florida and the Florida Section of the American Water Works Association will be highlighting April 2026 as Water Conservation Month as water conservation is an important component of a dependable water supply.

Unfortunately, representatives from the South Florida Water Management District are not expected to attend the May 6, 2026 Commission meeting. However, if approved, the executed proclamation will be provided to the District by the Town Clerk's Office.

Recommended Motion:

I move to proclaim April 2026 as Water Conservation Month.
