Summary Explanation/Background:

Please refer to the enclosed Memorandum. This annual report is a requirement of the Community Rating System (CRS) program which is a voluntary incentive program that recognizes and encourages community floodplain management practices that exceed the minimum requirements of the National Flood Insurance Program (NFIP). The Town is currently a Class 6 CRS community which offers a 20% reduction in flood insurance rates for properties in special flood zones and a 10% reduction to all other properties.

Recommended Motion: I move to **APPROVE** the Annual Floodplain Management Progress Report.
